From the Editor

Hello everyone,

I think Spring has spring a little early. One thing is for sure, Our president has found a lot of car shows happening in our area over the next several months, I hope you can attend some or all.

Please continue to keep Judy Cannon (and Billy) in your prayers as she continues her fight with cancer.

I was saddened to hear of Wayne Whitmire's passing. Wayne was a long time member of Corvair Atlanta and a friend as well. We shared many stories over the years since we were in the same business for a long time, He will be missed! Pictured above was his latest Corvair.

Hope to see you Saturday at the meeting in Byron.

Clay

**Meeting
March 11th
Noon
At 478 Country Buffet in Byron, GA**

From the Prez- Chuck Smith

Hello, and welcome to the pollen covered it seems to be spring edition of The 'Vair Fax. I don't think we should be fooled by this early spring-like weather. I am betting that we will have one more cold spell before spring is officially here.

Along with spring comes Springfest 2023. By my calculations, it is a little more than 6 weeks away. If you have not already done so, please get your pre-registrations sent to Lillian. As of last Saturday, February 25, there were only 32 registered. We need to know how many are planning to attend, in order to know how much food to get, packets to fill, etc.

Also on February 25, Sutton Chevrolet in Byron GA, hosted an open car show. There were close to 100 vehicles there, including 5 Corvairs, 4 from Heart of GA, and 1 from Corvair Atlanta. Those attending from Heart of Ga were: Chris Law, '63 Rampside, Joan and Lillian Law, '64 Monza convertible, Deklan, Bud and Mary Wilson, '65 Monza convertible, and Chuck Smith and Shirley Smith, '67 Monza convertible. From Corvair Atlanta, Gary and Alice Patterson, '65 Monza convertible. Tim Vossler was there to support the club as well. There was also a late 4-dr, with a 4.3 engine in the back. Chris and I both talked with the owners, and they seemed interested in joining our club.

Although we were parked towards the back of the show area, there were lots of people that stopped and looked at our cars. The Chevy dealership was very pleased with the turnout of cars and spectators, and said they would be hosting a show again.

I have compiled a list of shows coming up in our general area. This would be a great opportunity to show off our cars and promote interest in our hobby, and hopefully gain some new members!

Y'all take care, hope to see you at the March meeting, and then in Helen.

Chuck
