## September 2019

Throughout the drama season, the Langdon Theatre Association (LTA) board members and the phone representatives of each group phone parents to ask for assistance with field trips, upcoming productions, etc. Under the *Freedom of Information and Protection of Privacy Act* (F.O.I.P.), parents are asked to sign a consent form before their telephone number/email address can be released. Under this same Act, we also need permission to publish photographs &/or videotapes of your child. Videos &/or photographs are made available to everyone involved with the LTA as well as to the people responsible for our funding, to the local schools and to the local newspapers.
