

*Through dance, our goal is to instill a sense of self-confidence and self-esteem by developing poise and coordination, rhythm, flexibility and general body toning. Dance is a good background for cheerleading, pompoms, sports, musical theatre, and professional careers. Our students have participated in local, regional and national competition, winning many trophies and awards. Our philosophy is to educate and prepare the serious student who wishes to pursue a career in the field of dance, as well as to share our enthusiasm with those who enjoy dance for the recreational benefits alone.*
