(\$145+gst assumes 5M lead kit, this will be confirmed via an install quote)

Epson EB-675Wi

EPSON EB-675Wi SPECS:

- Bright Images – 3,200 lumens colour/white brightness
- Pen-Touch Interactive (2x Pens included)
- Amazing images – WXGA resolution (1280 x 800) and 16:10 format
- Ultra-short throw presentation display – get a 100" image from as little as 28cm away with virtually no shadow interference
- 10,000Hr maintenance cycle – the lamp and filter lasts up to 10,000 hours in ECO Mode

Epson EB-695Wi is a 'pen and finger touch' interactive UST Projector for education, it supports '6-point touch' and is the preferred option for many teachers, as you do 'finger thing' like 'pinch to zoom' and other things you 'expect' from a 'touch-screen' - the added cost to swap a EB-675Wi to a EB-695Wi at time of order is +\$395ex-gst
