

*"God has a plan for you and
He's gonna use you ...
I hope God can use me too ...
I wanna change the world!"*
Skylar Carpenter

Skylar would love to see you in Heaven. Will you respond, as Skylar did, to the free gift offered to all of us? Our days here are short; our purpose is to glorify our Lord so that everyone will know Him as his or her personal Lord and Savior.

We anticipate the day with great excitement when we are together again. *"Do not let your hearts be troubled. You believe in God; believe also in me. In my Father's House are many rooms; ... I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me ..."* (John 14:1-3)

**Sharing the message that
will change the world!**

A few weeks prior to 15-year-old Skylar Carpenter's going home to be with our Lord, she drew the sketch on reverse side.

Skylar's drawing illustrates the whole story of our Lord and Savior, Jesus Christ. Skylar drew this for her grandmother, "Nana," to use in Sunday School as she taught about Jesus. Skylar knew that this sketch would help little kids learn about Jesus and how much He loves all of us.

When Skylar finished her drawing, she was very insistent that she hand-deliver it to her Nana before leaving for her FFA trip to San Antonio. She finally did deliver the drawing, and it was only a few days later (February 17, 2011), on the trip to San Antonio that Skylar completed her "physical journey on this earth." (1 Thessalonians 4:13-17)

Lifetime of our Lifeline

Skylar's Lifeline Message

Skylar was very excited when she thought of the title "Lifetime of our Lifeline" for her illustration. She knew and wanted others to know that when they need help in any of life's circumstances, Jesus wants to be their lifeline, too.

Skylar's sketch sends a powerful message of love and hope. Her desire to share Jesus with everyone is being fulfilled, not only through her drawing, but through her legacy, as well. Skylar loved others without judgment or partiality because she received God's pure love through her relationship with Jesus Christ. Skylar was a fun loving, free-spirited, typical teenager who was talented, lit up a room with her giggle, and was known to be mischievous and pull pranks on her sister, her teachers, and her friends!

Skylar frequently made this statement: "Mom... Sometimes we are the only Bible people read!"
