

INFORMATION FOR PARENTS WHO HAVE CHILDREN IN TUMBLING PROGRAMS 2019-2020

WHO: Instructors for our programs will be: Stephanie Brown, Sue Reichert, Terri Olson and Mckenzee Perry

WHEN: Programs will run September, 2019 thru March, 2020

WHERE: All programs will be taught at the Beardstown Park District's Schewe Community Center located at the Beardstown Armory in Roberts Park, 323-2555, mailing address: 6 Armory Lane, Beardstown, Il 62618

FEE: For the month of September, October, November, January, and February the cost is \$20 for the month. For the month of December the cost is \$15 for the month. The month of March is to be determined. There are discounts available for multiple programs or additional family members. The park office now accepts credit cards and debit cards.

PAYMENT OF PROGRAM FEES AND REFUNDS: Program fees for classes are due in full on the 5th of the month. Payment not received after the 5th will be assessed a **\$5.00 late fee**. If no payment has been received after 1 month, your child will not be allowed to participate in our programs. No programs will be pro-rated and refunds are given in full only when the entire program is canceled. If we have to cancel a meeting time due to unforeseen reasons like bad weather, you will receive credit towards the next session. Should a problem in payment develop, contact the front desk and make appropriate arrangements.

OTHER INFO: 1) We want your child to receive maximum class time and our instructors' full attention. The observation area will be **CLOSED** except for the last week of every month, which will be parents' observation week in which we encourage parents to observe the progress their child has made. Parents and other family members can use our weight room or open gym during the other weeks if desired for a discounted price (\$1.00) while waiting for their child during class time. Our center's lobby has chairs to relax if desired also. Having the full attention of our tumblers during class times have proven very beneficial to our tumblers' growth and progress.
2) Due to large numbers in classes, we will **NOT** be offering make up times if you miss your regular scheduled class. You do have the option to pay per class (\$8.00 per class) if you know you cannot attend several classes during the month.
3) Motivational Policy: Tumbling should be fun. It's great to see your child's excitement after successfully completing a new tumbling maneuver. If your child doesn't want to try a new maneuver, we will not challenge them to do so. You as parents may wish to confer with our instructors for progress or lack thereof when evaluating their tumbling skills. Any disruptive behavior will include a "time out" period with an explanation to the parent.

INSURANCE: The Beardstown Park District does not provide insurance covering accidents or injuries occurring in its programs, activities, parks and facilities. Such insurance would make program fees prohibitive. Make provisions to provide this coverage with your own family insurance program.

ONLINE REGISTRATION: We are now offering online registration and payments for Tumbling classes. This will be separated in three different seasons. Fall includes September and October, Winter includes November, December and January and Spring includes February and March. Payment online will be for every month in the season, but can be paid at the office separately for each month as long as it is paid by the 5th of the month. Call 217-323-2555 for more information.
