## GUIDELINES FOR BLANKET ASSISTANCE

Many horses are disadvantaged going into winter because hay has been harder to get, more expensive, and keeping weight on is a struggle. The cold, windy weather makes it worse on them trying to keep body temperatures up. Horse Feathers has implemented the Blanket Bank, which is intended to assist those in need by providing access to a blanket to keep their horses warm, enabling them to utilize their feed for weight, not warmth.

Blankets/liners are gently used and on occasion we may have something new. We cant guarantee what you will get. We ask that you not sell, give, or transfer any item you receive from us. If you have no use for the item any longer or you do not intend to use it, please notify us at once and give us the opportunity to retrieve it.

We will offer you assistance in locating programs which will reimburse a portion the costs for gelding your stallions and stud colts.

Eligibility for assistance will be evaluated on a case-by-case analysis of need, including, but not restricted to the items below.

- ~The number of horses you own
- ~Whether you are engaged in the breeding and/or regular sale of equines
- ~The equine facilities on your property
- ~Applicant must be a resident of Oklahoma
- ~Income before or during time of need should be at or below \$25,000.00 annual.
