**PROGRAM AD ORDER – 2018-19**

The Godwin Choral Boosters is a charitable organization whose primary mission is to promote and support the choral program at Mills E. Godwin High School in western Henrico County. The Godwin Choral Program Concerts have a long standing reputation of award-winning excellence. The hard work and dedication of the students and faculty is what makes this program so successful. It is a source of pride for them and their parents, teachers and staff of Mills E Godwin High School. *Our programs are keepsakes for many attendees and choral families!*

Godwin conducts three choral concerts during the school year; Preview concert (October), Winter concert (December) and Spring Concert (May). You have the opportunity to support the Godwin Choral Boosters and advertise your business by placing an ad in one or all three programs.
