

I'm looking for someone who could represent my workshop programs to schools and libraries?

Q: I'm looking for someone who could represent my workshop programs to schools and libraries?

You may want to check [www.visitingauthors.com](http://www.visitingauthors.com) and [www.balkinbuddies.com](http://www.balkinbuddies.com), which are sites for companies that handle booking author appearances in schools and libraries. You can also try contacting your local chapter of the SCBWI. A number of the regional groups have referral services to recommend their members for school visits. 3:4/05
