

Replacement Heathkit Dial Drums

Complete dial drums are available for the Heathkit **TX-1 Apache**, **RX-1 Mohawk**, **MT-1 Cheyenne**, **MR-1 Comanche**, **HG-10 VFO**, and the **HG-10B VFO**. These are made from PVC pipe and are NOT translucent like the originals. They are opaque which requires a possible slight relocation of the pilot lamps to get full illumination. Replacement dial parts for the **DX-100**, **DX-100B**, and **VF-1** can be found elsewhere on this website.

Prices for the complete drums are as follows:

Apache: \$32.00 plus \$3.00 shipping CONUS; \$32.00 plus \$5.00 shipping Canada; \$34.64 plus \$3.00 shipping Texas residents (includes sales tax); all others please contact for shipping charges.

Mohawk: \$32.00 plus \$3.00 shipping CONUS; \$32.00 plus \$5.00 shipping Canada; \$34.64 plus \$3.00 shipping Texas residents (includes sales tax); all others please contact for shipping charges.

Decals: *Decals are now available for any of the above dial drums for those who want to make their own drums using translucent plastic tubing, etc. However, one must remember that decals are very fragile, require trimming, require soaking in water, and VERY careful application to the tubing. As such, decals are sold with ABSOLUTELY NO GUARENTEE, with no recourse, etc. If you mess up with the application, then you have to live with the results!*

\$12.00 each plus \$1.00 shipping CONUS except for Texas. Texas \$12.99 plus \$1.00 shipping.

Foreign, including, Canada: \$12.00 U.S. each plus \$3.50 shipping.
