Afternoon Tea Party Celebration
“Women in Leadership: Pursuing Your Dreams”

Sponsorship Packet

Exquisite Occasions Inc. is a full-service company that offers complete consulting services for all types of events: teas, weddings, receptions, anniversaries, birthdays, showers, retirements, and holiday events. Our services include planning, budgeting, as well as decorating, managing, and directing events for personal clients, with full-service referrals to associated vendors.

One of its missions is to host an annual Tea Party Celebration to inspire women of all ages to pursue their passions of becoming successful business leaders. One of our passions for the Exquisite Occasions is to help young people reach their full potential. High school ladies are invited to the Tea Party to engage with other accomplished women while enjoying what may be a new cultural experience “Taking Tea”.

A keynote speaker delivers a message of her own success story and shares golden nuggets for being successful. Everyone in attendance leaves more inspired to fulfill their own dreams. We are happy to announce that this year’s Keynote Speaker will be Dr. Janet Gullickson, President of the Germanna Community College. The Keynote Address will be followed by a Question/Answer session with two dynamic doctors: The aforementioned Dr. Janet Gullickson and Dr. Marcie Catlett, Deputy Superintendent of Fredericksburg City Schools.

Exquisite Occasions will be presenting scholarships to two deserving students enrolled in a program named Gladys P. Todd Academy. The Gladys P. Todd Academy program is:

- Designed for underserved high school students in the City of Fredericksburg and the county of Spotsylvania to increase college preparation and completion at least through an associate degree at Germanna Community College, concurrent with a high school diploma.
- Underserved student populations as defined for this program include first-generation college students with financial need.
- First-generation college students from James Monroe and Spotsylvania high schools will earn their associate’s degrees prior to high school graduation.
- Students in the first Todd Academy graduating class transferred from Germanna to Princeton, West Point (Military Academy), George Mason University and other four-year colleges – and continue to do so.

Exquisite Occasions

Exquisite Occasions will be providing scholarships to two deserving young ladies graduating from the Gladys P. Todd Academy program and matriculating to a four-year college.

The scholarships will be, in part, supported through Private and Public Sponsorships and a Silent Auction. If you are interested in supporting this effort, please click on the link below for more details and opportunities to participate.
