

Statement on Promoting British Values at Hempshill Hall Primary School

We want all our pupils to become valuable and fully rounded members of society who treat others with respect and tolerance, regardless of background.

Respect for others is embedded in our inclusive ethos which is based upon our mission statement of “Happiness, harmony and success” and our learning promise “To understand others”.

We will promote the basic British values of democracy, the rule of law, individual liberty and mutual respect and tolerance for those of different faiths and beliefs.

How we do this specifically can be seen through our SMSC (Social, Moral, Spiritual and Cultural) and global dimension planning, which is woven into our cross-curricular medium term planning for all year groups.
