Dear Jeri,

On behalf of the SFVAHCS Community Living Center Resident Veterans, we thank you wholeheartedly for the extremely energetic and enthusiastic performance by the Galena Street East group of high school students who rode all the way from Sacramento to San Francisco last Friday, June 29, 2018. Our residents enjoyed it so much that they would like you to return annually if possible. The variety of the song and dance numbers were awesome as well as the seamless dressing changes! We were also glad that your group was able to spend some time visiting afterward. Even with the glitches like the electrical challenge that arose, we worked together to make it happen!

Again, on behalf of our resident veterans, we thank you for remembering them around the July 4<sup>th</sup> Independence Day Holiday. Giving back to our veterans meant a lot to each and every one of them who attended.

I would be happy to pass on your information to our local VAs such as Palo Alto, Menlo Park, Livermore (which are part of the VAPAHCS), and Martinez Community Living Centers.

With Sincere Thanks,
