Suicide Prevention

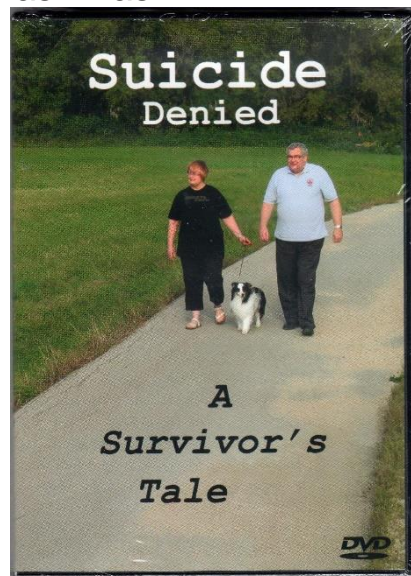

August 18, 2013

Greetings!

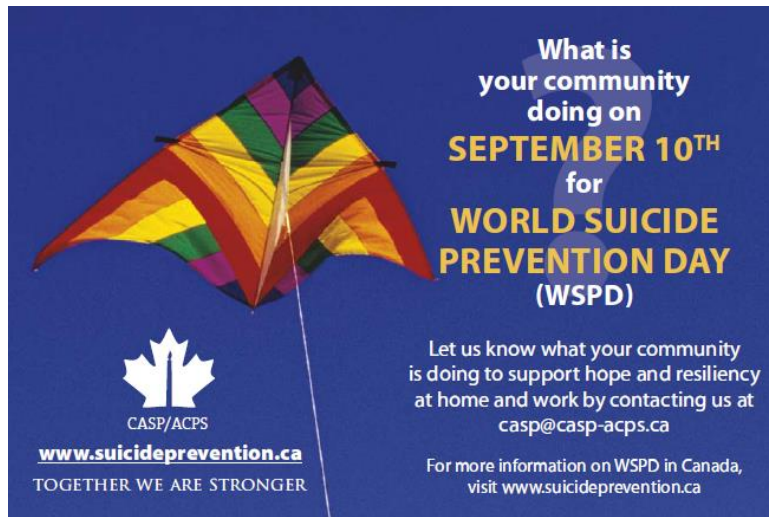

Suicide Prevention *Let's All Participate*

On September 19, 2002 I attempted suicide. I now believe that if I had the right tools I never would have allowed my mental illness to get that much control of me.

I have created a DVD "**Suicide Denied**", which is aimed at helping other from getting as ill as I was.

The DVD is available thru this link:
[Suicide Denied - A survivor's Tale](#)

September 10, 2013 is "[World Suicide Prevention Day](#)". Let's all do something to support this cause.
