

Our Mission:

- Provide a high-quality and comprehensive dance experience.
- Provide a safe environment where dancers are encouraged to express themselves through dance and movement. This will ultimately lead to self-esteem, and enhanced poise and confidence.
- Begin and end our classes on the day and time advertised in our literature.
- Provide knowledgeable, caring and professional dance-educators for each scheduled class.
- Publish a monthly newsletter to ensure that our dancers and their parents are informed of our schedules and activities.
- Produce 2 shows each year. All dancers are invited to participate, but participation is not mandatory.

We begin and end our classes on time. We want your child to be in class each and every week; prepared with the proper attire, secured hair, and dance shoes. This way they are ready to learn about the wonderful world of dance and music. If you must be late, inquire at the desk as to whether you may enter the classroom. Be aware that permission for late arrivals is not always granted. You may make up any missed lessons. Always knock on a CLOSED classroom door before entering.

Prompt Arrival and Punctuality

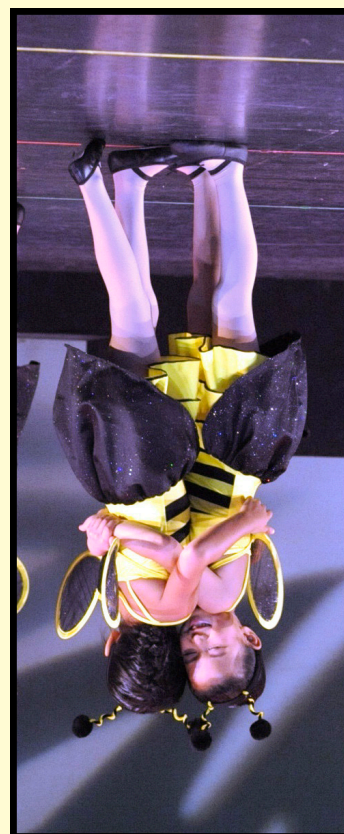

Help Us Lead Your Child Toward Positive Experiences in Class Please guide your child in recognizing that dance class requires focused attention. Our 3 and 4 year old dancers will enjoy structured lessons based on developing both spatial awareness and artistic skills. Counting and alphabet are combined with the identification of colors, rhythms, and participating in sing-a-longs.

Teach your child to respect the dance educators through the use of appropriate behaviors. Dancers do not speak out of turn, argue, gossip or chew gum during class or in the studio. Teachers should always be thanked after classes. (The teachers thank the students also.)

Parent Information:

We Want To Know Our Parents

Our once-a-month observation day is also tuition day. The first class of each month! Please come to the studio to observe your child. Parents of 3- and 4-year olds must stay at the studio to be available to take their child to the restroom. Check the bulletin boards and watch our website www.mackinnondance.com for information and updates about what the 'buzz' is around our school, outside performances, and other newsworthy items.
