### PRESIDENT'S MESSAGE

This will be my final PTO Newsletter. Thank you for allowing me to serve 4 years as the Kennedy Academy President.  
Melissa Trethewey

PTO is in need of a Budget & Finance Committee. It consists of the Executive Committee and at least 2 other members not on the board. They will be responsible for drafting a budget before the start of the year to be presented at the first business meeting in August. The 2 non board members will also be responsible for auditing the treasurer's books and signing compliance forms prior to the officers acceptance of these books after the end of the school year before June 30th. Please email PTO, if you are interested in participating.

Congratulations to the new Kennedy Academy PTO Board for 24-25 school year.

President-Andrea Pauwels-Potgiesser

Vice President-Jacob Wise & Melissa Layman

Treasurer-Christina Cline

Secretary-Keith Sayer

### SCHOOL ANNOUNCEMENTS

A big thank you to all the students at Kennedy for the amount of items donated to the Food Bank. The whole school has earned an ice cream party. The top classes were Murphy, Cruz, and Thompson.
