Our Commitment to Cleanliness

Public Spaces

Starting with our public spaces and high-traffic areas, we are going above and beyond our normal protocols. We are cleaning surfaces with increased frequency, dedicated staff, and recommended cleaning agents. We will continue to adjust food and beverage service in accordance with current food and safety recommendations.

Hand Sanitizer

Hand sanitizing stations are installed at hotel entrance, at our front desk, and meeting spaces.

Social Distancing

Signage in public spaces will remind our guests to maintain social distancing. We have provided an extra level of precaution for our guests and our associates.

Guest Rooms

In guest rooms, we have elevated our rigorous protocols to thoroughly clean all surfaces with hospital-grade disinfectants.

New Cleaning Technologies

We are evaluating new enhanced technologies including electrostatic sprayers to sanitize surfaces throughout the hotel. We are also testing ultraviolet light technology for sanitizing guest keys and devices shared by associates.
