

## **January 2016 ASQMV SLT Meeting Highlights**

### **Education**

- Upcoming ASQMV classes, CQE and Statistics, are in the planning phase.

### **Programs**

- January 2016 speaker, Bill Albright on Transition from Engineering to Quality Management) survey results are: total ASQMV member attendees 41, and 21 responses for a 58% response rate. Survey results out of possible 5 are: Location 4.36, Speaker 4.21, Topic 3.93, Overall 4.02.
- Upcoming meeting ideas are a joint meeting with neighboring ASQ section and finding a quality speaker from the hospital industry.

### **Treasurer**

- The SLT voted on the selection of two SLT for the upcoming section audit review and sign off before submission to ASQ National.

### **Vice Chair**

- We have a member prospect who may be able to fill the vacant section Voice of the Customer Chair position.
- AME will follow the ASQMV monthly member meeting model. This follows after ASQMV and local chapter AME shared best practices in 2015.

### **Chair**

- The team voted to accept the Chair's proposal to budget \$80 in 2016 for business cards for five front-line SLT chair roles.
- The Chair has identified an interested ASQMV member with prior treasurer experience to be the ASQMV 2017 Treasurer since existing ASQMV Treasurer will reach the end of her two-year term in December 2016.
- The Chair handed out copies of the 2016 ASQMV Business Plan Worksheet and his vision is to engage the membership with lead SLT for the listed action plan to achieve the year-end business plan goals.
