

## **Cowboy States Reining Horse Association Clinic**

**May 21-22, 2022 at Sheridan College AgriPark.**

Cost: CSRHA members: \$250

Sponsorships for Youth riders will be \$250, with no cost to the youth rider.

**Clinician:** Mark Guynn is an AQHA and NRHA Professional Horseman. Mark is the presiding President of the Rocky Mountain Quarter Horse Association, and he and Jan have been heavily involved in the youth program for over twenty years. Mark is a past president of the Rocky Mountain Reining Horse Association, and remains appointed as a liaison to that Board of Directors. Mark holds his AQHA, and NRCHA judge's cards, and is frequently asked to judge NCEA Collegiate Equestrian events. He is a NRHA money earner, and has consistently produced both AQHA, NSBA and NRHA World Show Champions and national finalists. In 2019 Mark was voted on by his peers to be the NRHA National Youth Coach of the Year. Leading up to that vote, in 2013 Mark was asked to form a western Interscholastic Equestrian Association High School and Middle School Team, which he dubbed the Rocky Mountain Wranglers. The program was such a success that he and Jan formed a second team, Berthoud Equestrian Team, both of which have qualified for the Regional and National Championship on a yearly basis. Many of these young riders have gone on to purchase and ride industry horses, ending up in the various World Show Finals on a regular basis.

**Program:** Clinic will include one day of instruction on reining maneuvers and patterns, and one day of ranch riding instruction. Clinic limited to 12 participants. Six riders in a morning session, and another six in an afternoon session. Our goal is to provide six sponsorships for youth riders, and have an equal number of Cowboy States members included in each session. This format will give the youth riders an opportunity to get 2 days of instruction from an industry professional, while also interacting with members of the Cowboy States Reining Horse Association. It is our mission to encourage future interactions, opening the door for additional mentoring and learning experiences.
