# From the President – Sally Steele

Hello Navajo Canyon Members, Associates, and Friends,

We've all heard the slogans that Trump has continuously used throughout his campaign, Make America Great Again, Safe Again, Rich Again, etc. Peter Thiel, who founded PayPal and also sits on the board at Facebook, delivered a speech that used the slogan Make America **Normal** Again. That phrase really resonates -- Make America **Normal** Again — YES!

With our country going sideways over the last 8 years, getting to normal sounds SO refreshing and appealing! Thiel says, "No matter how crazy this election is, it is less crazy than the condition of our country." We have just one week to find out if all our efforts to elect Donald Trump have paid off.

Ladies, hang in there.....just one more week of craziness before Election Day! With Hillary's email scandal back on the front burner, that has rejuvenated high levels of enthusiasm and anticipation with a Trump victory. And let's keep the momentum going with our local candidates who have taken on the competition with a vengeance, they are heroes! I'm so proud of all the volunteering you've done to make this election a success.

As a reminder, our next luncheon meeting will be on Nov 15th, one week after the election. On that day we anticipate having a HUGE Celebration with local, state, and national election results!

Warmest Regards,

Sally

Navajo ladies have been hard at work crafting cards for our Veterans to honor them on their special day. We will be delivering these beautiful, hand crafted works of art on Wednesday, November 9 (time to be announced, sometime around mid day) to the Veterans Home in Chula Vista. They will be placed on the breakfast trays on Friday, November 11.

When we make our card delivery, we have made a special request to bring a cake to share with the Veterans. If you would like to join the ladies who have signed up to deliver cards and share cake, please contact me for details.

Thank you to all you wonderful gals who joined me in my home to make cards, and share jokes and stories while working! We had a great time AND made 300 cards! Here is a small sampling of some of the cards we made.

With thanks for a job well done: Cathie Johns, Charlotte James, Gloria Harpenau, Carolyn Jones-Priest, Peggy Dow, Kat Culkin, Michele Kuglitsch, Mary Lewis, Linda Balon, Gerry Faucett, Marjie Siekerka, Carol Larabee and Dara Hembury (and me!!).

Don't forget to mark your calendars for our annual Christmas party on Tuesday, December 13. This terrific social gathering replaces our monthly meeting. This is a great way for our newer members to get together and meet other members and officers. Hope to see you there!!

The 2016 election is not like any we've had in recent memory. We are fighting against the establishment and the elites of the press, the Democrat Party and even some in the Republican Party. This is truly a turning point in our history and Trump voters are not going away no matter what happens on November 8.

Trump was not always my first choice for President...but I can hardly remember now when I haven't been on the Trump Train. Initially, I was for Trump simply because he wasn't Hillary. But now, I am proud to be a supporter of Donald Trump because he has shown there is no one that can out work him. We couldn't have asked for a more dedicated and energetic candidate to represent us. He does five shows a day at times. He travels across the country day after day and doesn't give up no matter where he is in the polls. He takes the argument to Hillary without letup. I can't think of any other candidate that could have done as well. Hillary certainly cannot keep up. She has a bed in her van where I hear she takes naps between appearances.

This election has changed me. I am not willing to be ruled by an elite group that doesn't care about what is best for this country and only cares about power for themselves. Many of us have discovered how much we value people who are team players and how we feel alienated from people who aren't. It is easy to support someone you like...It is when the candidate is not your favorite or your first choice and you still have his back that shows people you have character and can be counted on.

There is still time to convince people to support Donald Trump. You can walk your precinct, do poll watching on Election night to help Get Out The Vote, go through your email list and contact people to remind them to vote and to support Donald Trump.

It is important to take time to re-focus attention on *why* we want to elect Donald Trump and the Republicans. When you are trying to convince someone...you have to be able to say *why*. Pick out two reasons why you feel people should consider voting for Trump and share them.

Will the voters give Trump a chance or are we headed toward a Constitutional Crisis with the Clinton's once again? All that is left now is to Vote and pray for a Republican Landslide...it's the only way to put America back together again.

Thanks to all of our Navajo Canyon ladies for their help with this election. From the phonebanks where we recruited many precinct walkers to the Miramar Bridge rally for Trump last Sunday. It was a wonderful turnout and a wonderful day. So many people on the freeway and the street honked and honked while giving us a thumbs up. The game ball, however, goes to Kat Culkin who dressed up as Hillary in full black and white striped prison garb, complete with a ball and chain for her ankle and a full size cardboard jail in which she was imprisoned. She stole the show!

Navajo Canyon ladies working at GOP Headquarters Friday, October 21. We had a great job this time! Calling Republicans that had previously signed up to volunteer.

Almost every person we spoke with signed up to be a precinct captain! We left lots of messages and hopefully they called back and signed up too!!

Thanks to Waskah Whelan, Kathie Riesgo, Elaine Fein, Kat Culkin, Mary Lewis, Glenda Boerner, Gloria Harpenau and Marjie Siekerka for volunteering. Go Trump!!

#### **Cathie Johns**

**November 15**. It's almost over! At times we were not sure we would survive this election season. There is a new administration just around the corner. Hopefully, it will be the results we wanted. Whatever the future holds, there is no one better than Jason Roe to explain what happened, and where we go from here.

Jason has enjoyed a prestigious career in both the business and political arenas. He was the Executive Director of the Republican Party of San Diego County, and is currently a managing partner in a consulting firm. He was the National Media Spokesman for Marco Rubio in his 2016 President bid; a Senior Campaign Advisor for Congressman Tom Feeney in 2008, and his Chief of Staff 2003 - 2007; Deputy Campaign Manager for Governor Romney when he ran for President; Campaign Advisor for House Majority Leader Tom DeLay; Government Relations Manager at the University of California, San Diego, and is an author, just to name a few of his many accomplishments.

Jason has his finger on the pulse of the Republican party. He is deeply involved, incredibly well-informed, and holds strong conservative convictions. We could not ask for a more knowledgeable speaker to walk us through the nuances of not just the election, but the future direction of our grand old party.

**December 13.** NCRWF will be celebrating at our annual Christmas Party, so there will not be a monthly luncheon meeting.

SDCFRW IS PROUD TO PRESENT NATIONALLY KNOWN COMMENTATOR BRIGITTE GABRIEL Leading Expert on Global Islamic Terror November 14, 2016

In Lebanon, a little ten year old girl was tucked into bed by her loving Christian parents only to be awakened by bomb explosions, gunfire, and her bedroom on fire. Because they hated Christians, Muslim terrorists had attacked. She spent her young life living in a concrete bunker, running through sniper fire to school. The family sometimes had to eat grass in order to survive. This little girl grew up, to become a nationally known journalist who has spent her life traveling in the US to warn us that these killers must be stopped or we will suffer terribly. Do put November 14th on your calendar so you can hear her in person. She has written two New York Times best sellers that she will have with her, and she will tell it to you like it is! Meeting Time 10:00 AM – 1:30 PM Cost: \$35 RSVP Deadline is Tuesday, November 8

Crowne Plaza San Diego - Mission Valley 2270 Hotel Circle N., San Diego, CA 92108

Trolley is easy from the East County. Take the green line to Sante Fe depot, transfer to the orange line through downtown and exit at the Civic Center. You can also take the Orange line into downtown coming west, still exiting at Civic Center. Go north into the concourse, see the colorful Republican Tent located right smack on the concourse, across from the other party and in front of Golden Hall. Sign-in and say Hello!

At about 10:30 a.m. a large group of happy, new naturalized citizens will come streaming out of the double doors to celebrate with their friends and family. We will be there to greet them and register them as Republicans

By 12 noon, registrations will be complete, the tent will be packed up and the area cleared. Plan then to celebrate your day's accomplishments at lunch with your teammates.

Wear your Republican red and show the Dems our patriotic spirit and spunk! Check the trolley schedule at sdmts.com

#### **Glenda Boerner**

Navajo Canyon ladies joined 5 other clubs downtown on October 19 for the New Citizens Ceremony. It is always so interesting to speak with the new Americans that come to the Republican tent. These are the ones that "get it"!! They share our values and realize the opportunity our freedoms allow them. They know what it is like to live in a repressed and/or Socialist country and are grateful to be here. Our job as Republican women is to continue to share our message, everywhere we can!

> Call or email me with any questions or concerns, Glenda Boerner 619.284.9958 fleetwood4@cox.net

Kathy Petersen and Carol Larabee for joining me to welcome 900 new Americans on the Concourse on October 19. Uncle Sam, Lady Liberty and the "Trumpster" are always fun to be around! Come have fun with us on Wednesday, November 16 from 10am to noon. Join me on the Trolley, or find parking downtown. Call me with any questions

Here I am, out in the community registering voters before the October 24th deadline. El Cajon Blvd. Merchants Association invited me to set up our "Ironing Board" campaign for those last minute registrants on October 21. We captured one Republican and one Independent. Don't forget to vote!!

# **Chaplain's Words of Inspiration Ginny Wisley**

### "I know what I'm doing. I have it all planned out - plans to take care of you, not abandon you, plans to give you the future you hope for." Jeremiah 29:11 (the Message)

Because of the date of newsletter deadline versus the date of the election, we are still a few weeks away, so my message will be of hope rather than a message of joy (or, please Lord, not sadness). I can hope that we were able to persevere & change the mind-eyes of the political blind people in our lives, & that we aren't going to be in the third term of Clinton/Obama (boy that was two names that were hard to type).

I am in hopes that our decisions were made in the process of prayer for the greatness of the nation under God, for the support of the military, for the overcoming of the evil ones, for the return of the democracy & republic for all.

No matter what the outcome, we must remember that it's really not a matter of Republican v. Democrat, right v. wrong, it's God's plan & God's timing. He knows what this country needs, we are just the messengers. We need to remember no matter the outcome, we need to be the better person.

So after 8<sup>th</sup> November, hug everyone, love everyone, be kind to everyone, because after all is said & done, we still live in a great country & county & we still have each other.

Feel free to contact me with any "Chaplain-y" type needs: prayers, a listening ear, etc...that is part of this job.

God bless us everyone!

## A WOMAN'S VIEW ON TRUMP Someone asked a woman how she could vote for Trump, a "misogynist, a racist and a bigot".

- Because I use my head to research and find out what candidates really are, not what the media wants me to think.
- Because Donald Trump has more women in executive and managerial positions than any comparable company, which tells me he is not a misogynist.
- Because he pays these women the same or more than their male counterparts, which tells me looks for capacity and skills in people, not color, gender or race.
- Because he fought the West Palm Beach City Council to be able to open his newly purchased club, so he could include blacks and Jews as members, who had been banned until then. This tells me he is not a racist.
- Because he has raised wonderful children who have turned out to be outstanding, hard working and compassionate adults. He must be doing something right.
- Because his economic plans makes sense, are conservative in nature, and I vote based of what is best for my family, my friends and my country.
- Because everybody, the left and the right are afraid of him, the media is trying to destroy his image, and even foreign governments are voicing their opinions, so he must be do-ing something right. Clean house maybe?
- Because I want a Supreme Court that will uphold the Constitution, not behave as minions of the administration. I have had enough with judges who are more like political activists than law enforcers.
- Because I fear for my family's safety if the current trend of not confronting blatant terrorism continues – which is a threat to our way of life.
