The Williamson County Sheriff's Posse was formed in 1943 to assist the Williamson County Sheriff's Department. County Sheriff Robert Davis, could deputize members and call upon them as needed. Over the years, the need for extra law enforcement personnel has diminished, but the Posse has continued to provide support for Williamson County and surrounding areas. The Posse lent much needed assistance at the time of the Jarrell tornados, search and rescue efforts, and provided animal relief during the Bastrop wildfires.

In order to raise funds to support local charities, the Posse has hosted an annual rodeo for the last 80 years and hope to continue for many years to come. We endeavor to promote and maintain the Western Heritage we all enjoy.
