

On My Mind from The President

Hello residents New and Old.

Congratulations to Robin Markarian after being appointed as our 7th Board member to complete the 9 remaining months of Al Levy's term. As a nine-year resident of the Meadows, a retired Speech and Pathologist Robin brings a fresh perspective to our board. Welcome to the board Robin.

We are halfway through the Mailbox refresh. Looking really good. Please do not put plantings between the mailbox post and the street. We cannot obstruct mail delivery. Just a reminder to turn on your outside lamp poll. It helps with our security. I put a piece of tape over the switch so I never turn it off. Let the Day / Night sensor do its job.

The tree planting project is now complete and the city of Deerfield is happy. Always remember do Not trim trees on Community property. Write a work order and our team will review and take care of any issues. Never plant fruit trees or fruit bearing plants or vegetables. Also, the use of potted plants needs to be conservatively done and well maintained.

I know we have family and guests visiting. Some with more cars some with pets. Please remind your guests not to obstruct other residents parking or driveways.

Your board is looking into expanding the Gym. More equipment and maybe utilizing a larger space. Just like all our amenities we see them being used so we are excited to keep them in good operating condition with our residents active and enjoying the space. Speaking of our amenities check out the Tennis courts, Pickleball courts, the Golf driving area, newly resurfaced shuffleboard courts with excellent lighting and don't forget our billiard room.

Bingo – Hitting new heights with the additional attendance comes larger payouts. Come and enjoy the night out with the added bonus of the friendship and comradery with your neighbors. Hope to see YOU there on Tuesdays!

Social & Travel Club Committee hit a real Irish Jig with the sold-out St. Patrick's Day party. It was so good to see everybody enjoying Great food, Great decorations, and a Fabulous Band. What a great time. Congratulations to Ted Church and the whole Social & Travel Club committee. Future plans may include, Comedy night, Pool Party Bar-A-Que, Movie Night, maybe even a 50's sock hop. You never know what Ted has in mind. LQK for the next event is May!

Always Lock Your Car!

Have a Safe 2022!
