The admissions timeline applies to all state funded schools including Academies and Free Schools (through their funding agreement).
 - a. **September** – the schools will publish in its prospectus, information about the arrangements for admission, including over subscription criteria, the following September (ie in September 2019 for admission in September 2020). Consideration of applications

- 6. All schools will consider all applications for places. Where fewer applications than the PAN are received, places will be offered to all those who have applied.

In all the circumstances described in this paragraph, however, the Secretary of State may direct Arthur Bugler Primary School, East Tilbury Primary School, Horndon on the Hill Primary School, Stanford-le-Hope Primary School or Thameside Primary School to admit such a pupil and that direction shall be binding on Arthur Bugler Primary School, East Tilbury Primary School, Horndon on the Hill Primary School, Stanford-le-Hope Primary School or Thameside Primary School.

Procedures where Arthur Bugler Primary School, East Tilbury Primary School, Horndon on the Hill Primary School, Stanford-le-Hope Primary School or Thameside Primary School is oversubscribed

- 8. Where the number of applications for admission is greater than the published admissions number, applications will be considered against the criteria set out below:
 - (a) **Children looked after and previously children looked after**– Children in public care and children previously looked after will automatically be given first priority over other categories where priority is claimed on the application form and validated by the local authority.
 - (b) **Special reasons** – Priority for admission may be given where there are exceptional social, medical or educational reasons for admission to a particular school. These reasons must be supported by evidence from a relevant professional (e.g. a doctor or a social worker) and must be submitted with the application for admission. The purpose of this criterion is to give priority to

pupils with a specific need that can be met specifically at one school rather than another. The threshold for a successful application under this criterion is high and such cases are likely to be rare since all schools are able to offer support and facilities for a wide range of needs.

- (c) **Catchment area siblings** – Children whose normal place of residence is in the catchment area of the school at the closing date for applications, and who will have a sibling at the school at the point of admission, in distance order with those living closer having higher priority.
 - (d) **Catchment area children** – Children whose normal place of residence is in the catchment area at the closing date for applications in distance order with those living closer having higher priority.
 - (e) **Children of staff** - children who live with parents/carers employed by Osborne Co-operative Academy Trust.
 - i) where the member of staff has been employed by the trust (or predecessor school) for two or more years at the time at which the application for admission to the school is made, and/or
 - ii) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
 - (f) **Non-catchment area siblings** –Children whose normal place of residence is outside the catchment area of the school at the closing date for applications and who will have a sibling at the school at the point of admission in distance order with those living closer having higher priority.
 - (g) **Non-catchment area children** –Children whose normal place of residence is outside the catchment area at the closing date for applications in distance order with those living closer having higher priority.
9. Notwithstanding the provisions of points a – e above, the Secretary of State may direct Osborne Co-operative Academy Trust to admit a named pupil to either Arthur Bugler Primary School, East Tilbury Primary School, Horndon on the Hill Primary School, Stanford-le-Hope Primary School or Thameside Primary School on application from the Local Authority.

Mid-Year Admissions and September Admissions for Year Groups other than Year R or 1

10. Parents/carers wishing to make an application for a place for their child should submit the appropriate form to the Local Authority (Thurrock Council).
11. The schools will maintain a waiting list and allocate places as they become available using the criteria set out in paragraph 8 above. If there are no places available, parents/carers must confirm in writing to the school if they wish to have their application placed on the waiting list. The waiting list will be maintained in order of the oversubscription criteria and not in the order in which applications are received or added to the list. Names are removed from the list at the beginning of every term unless parents/guardians submit a written request asking for their application to remain on the waiting list. Places will be allocated as they become available using the criteria set out in Paragraph 8.
- There will be a right of appeal to the Appeals Panel for any unsuccessful applicant.

Arrangements for Appeals Panels

12. Parents/carers will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of (name of school). The Appeal Panel will be independent of the school and will be composed of three members who will include:

Lay members are people without personal experience in the management or provision of education in any school (though it is permissible to use people who have experience as governors of other schools, or who have been involved in education in any other voluntary capacity); and
 - b. at least one person with experience in education who is acquainted with educational conditions in the area, or who is the parent of a registered pupil at a school.
13. The arrangements for appeals will be in line with the Code of Practice on School Admission Appeals published by the Department for Education.
14. Parents/carers will normally have 14 days after notification of a place not being offered at their preferred school to lodge an appeal. The notification will indicate the reasons for refusal of a place and of the right of appeal.
15. Parents/carers wishing to appeal against an admission decision by the admissions authority, i.e. Osborne Co-operative Academy Trust, should send a completed appeal form to the Clerk to the Appeal Panel at the address given on the appeal form. Other documents may be submitted in support of an appeal and should be lodged with the Clerk to the Appeal Panel not less than 7 days before the appeal hearing.
16. Parents/carers will be given 14 days' notice of the appeal hearing, unless they agree to a shorter period of notice. At least 7 days before the hearing the school will provide the parent with a written statement detailing the reasons why it has not been possible to allow the child to attend the school. The Appeal panel will have the discretion to refuse to admit late evidence.
17. The Clerk to the Appeal Panel will, if possible, inform parents of the Appeal Panel's decision on the day of the hearing. In the case of the appeal hearings taking in excess of one day the Clerk to the Appeal Panel will contact parents with the decision on the final day of the hearings. The parents will also be informed of the outcome in writing within 14 days of the date of the hearing. In the case of unsuccessful appeals the Appeal Panel will give the parents their reasons for not upholding the appeal.
