

Yakima Valley Mushroom Society

Field Trip Policies

1. Please do not hunt in the field trip areas two weeks prior to the field trip.
2. Field trips are for members only. Currently, a guest or two once in a while is permitted but groups of people that are non-members are not permitted. If non-members want to attend regularly, they need to join our Society.
3. Household members that wish to attend field trips should be registered as members on your membership profile.
4. Persons younger than 18 must be accompanied at all times by an adult member of their own family or their legal caregiver.
5. If you bring pets, they must be leashed and under your control at all times. Pets must not be tethered to or left at the meeting or gathering areas while the owner goes off to hunt mushrooms. Do not leave your pet in the care of the hosts, identifiers or other YVMS members. If you bring your pet, they need to stay with you at all times.
6. Family memberships include all members of your household, meaning those that reside at the same address. Registering other people at different addresses for the same family or single membership is not permitted. Please do not abuse the membership system.

Please contact me directly if you have any questions regarding these or other membership or field trip policies.

If you wish to help with a field trip or have questions about an upcoming field trip, please contact me at jc.carlyle@charter.net or 509 457-0819.

Joseph Vanicek

YVMS President
