

## **Plan for Worship Services and Programming at Faith Fellowship**

These are unprecedented times for which we must remain faithful and wise in our response to with regard to the COVID 19 virus. God does not give us a spirit of fear, but He does encourage us to be wise. After much prayer and meeting with church leadership, Faith Fellowship will transition to provide on-line services only for the next few weeks. To meet the needs of safety for all, we will not meet in person as a congregation. Our church leadership will be working to provide on-line streaming on "Facebook live" for our Sunday worship services at 10:30AM. We will begin this Sunday March 22, 2020 and will continue for the next few weeks as needed and helpful. We encourage you to join us as you can. **Continue to check notices on our church Facebook page and our webpage.**

As you may realize, this will be uncharted territory for our church program leaders. We are believing that the Lord will use our efforts to prepare us for new avenues of reaching people with the Gospel and our mission efforts as a church. Please be patient as we make every effort to present our services for your edification. May God use these efforts to bless us and create new ways of accomplishing our mission as a church in these ever-changing times.

We will also be suspending all other weekly gatherings such as youth activities, Wednesday evening supper and prayer service and choir rehearsals.

Although we are taking these measures to limit group meetings, please know that your pastor, deacons and small group leaders stand ready and available to serve those who are homebound or have need of assistance or ministry. We will continue to work on new ways to continue our ministry efforts to one another. We want to help us stay connected in healthy and positive ways. One of those ways we will be providing on-line resources, devotionals and Bible studies. Our Family ministry team through Faith@Home resources has already prepared activity kits for our families with children at home. Please continue to check our website for additional online resources.

Although there is much uncertainty during these days, this may be an opportune time for God's people to stand with people in need and share Good News of Jesus with people who may be looking for solid footing. We know and believe our Lord is The Solid Rock. May we stand secure in our faith in God in having the confident assurance that our God is at work for good and His glory in all of this.

Let me encourage us with a verse from God's Word:

"Love must be sincere. Hate what is evil; cling to what is good. Be devoted to one another in love. Honor one another above yourselves. **Never be lacking in zeal, but keep your spiritual fervor, serving the Lord. Be joyful in hope, patient in affliction, faithful in prayer.** Share with the Lord's people who are in need. Practice hospitality." Romans

Remember to join us if you can on Facebook Live on our church webpage this Sunday at 10:30A.M.

Prayerfully,  
Pastor Garry
