Kevin Webb

My name is Kevin Webb. I am a **system changer** and a **business owner**. In our state, there is a law called “**The Kevin Webb and Kim Brown Self-Determination Act**”. This law supports self-determination and person centered care making it more flexible to meet the needs of individuals. It was the first in the nation. I helped change the system.

I am a business owner, since 2006. I own Webb Taylor Horseback Riding and Boarding Stables. I received a grant from the Commonwealth Council on Developmental Disability/ Vocational Rehab/PASS Plan through Social Security Administration to help me start my dream business.

“I will always be an advocate. I want other people with a disability to live the American Dream under the Declaration of Independence.”
