TAKE IT FROM THE TOP

Your home's appearance begins with the roof and the right colors and textures will instantly upgrade your curb appeal.

[INQUIRE NOW](#)

**A Classic, Revisited.
ENGINEERED SLATE**

You just can't beat a good slate roof. That is, unless you go for our synthetic slate roof tiles. They weigh less, cost less, and out-perform the competition.

[EXPLORE](#)

**A Rustic Approach.
ENGINEERED CEDAR SHAKE**

Cedar shingles are a favorite for rustic home renovations. And our composite cedar roofing gives you the look you love with less maintenance and less worry (it's fire-resistant and made to last).

[EXPLORE](#)

AUTOMATIC ROOF HATCH OPENER

A patented design that automatically opens a roof hatch from the ground floor using a keypad or security access card.

ROOF HATCH SAFETY RAILS

A four-sided, patented, 100% steel design with a self-closing gate and two built-in ladder rungs. OSHA-compliant and installs in minutes.

ROOF HATCH

The SafePro Roof Hatch, manufactured of 100% steel for durability and safety, is available in standard and custom sizes.

PERIMETER RAILS

Temporary or permanent 100% steel rail fall protection with stackable bases that are easily installed and stored. OSHA-compliant.
