

Strongsville Historical Village Scavenger Hunt

10 points of interest have been marked by QR codes around the Historical Village. Hints to each marker are found below or online through the QR code provided. Download a free QR scanner on your smartphone to get started or simply go through the course using this paper. See if you can find them all!

1. From where the bell once tolled.
2. These make a farmer's life easier.
3. Look up. When you see its pods, you'll understand why it's nicknamed after cigars.
4. Don't forget to wipe your feet before you go inside!
This metal tool will help.
5. These sharpening tools are no rare sight in the village, but can you find the one attached to its metal base? Be careful! You want to stand back when in use.
6. How Miss Gilbert starts each day.
7. For when you need some help reaching your vehicle.
8. I suggest avoiding spending any time downwind
9. For when the Model-T hits 'E'.
10. Standing like twins side by side, your goal is not far behind.

Scavenger hunt created by George Kinney of Boy Scout Troop 701 as an Eagle Scout service project.
