Please sign-up to work when you arrive at the trial!

It is the exhibitor's responsibility to check in with the gate steward and be at the ring gate when it is their turn to run. The Judge is not obligated to wait for any exhibitor.

Classes Offered

Standard Classes: Novice A & B, Open, Excellent, Masters, Premier, Novice Preferred, Open Preferred, Excellent Preferred, Masters Preferred, Premier Preferred

Jumpers with Weaves: Novice A & B, Open, Excellent, Masters, Premier, Novice Preferred, Open Preferred, Excellent Preferred, Masters Preferred, Premier Preferred

Classes: It is the exhibitor's responsibility to enter the dog in the correct class. The trial secretary cannot make any changes (except for move-ups & as provided for in Chapter 1 Section 21 of the Agility Trial Regulations) after the closing date of the trial. Please consult the AKC Regulations for Agility Trials for a complete description and eligibility to enter into these classes. The exhibitor is fully responsible to enter into the correct class(es) and height divisions. Dogs running in a lower or higher height division than they are eligible will be eliminated.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend

- Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title.
- The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Multiple Jump Heights Within the Same Trial Day

- Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

Note - A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO) As of January 1, 2020

- For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact.
- FEO will allow exhibitors to work with their dogs in a trial environment.
- FEO is only allowed in the Time 2 Beat and FAST classes.
- FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment.
- Competitors must enter in T2B and/or FAST.
- Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class.
- FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out.
- FEO may be declared earlier (ex. when checking in at the gate board).

- Toys are allowed in the ring.
 - Toys must be non-audible.
 - Toys may not leave the handler's hand.
 - Toys that roll freely cannot be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time – Time is course time – not max course time.

Fix and Go On (FNG) As of January 1, 2020

Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Height Divisions		
Regular	Preferred	Height at the Withers
Handler may opt to run their dog at a higher height division.	Handler must run their dog at the proper height division.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11" and under at the withers
12"	8"	For dogs 14" and under at the withers
16"	12"	For dogs 18" and under at the withers
20"	16"	For dogs 22" and under at the withers
24"	20"	For dogs over 22" at the withers
26"	N/A	At the owner's discretion

Jump Height Cards: All dogs entered **MUST** be measured by the judge before their **first** run except those with AKC jump height cards. **It is the exhibitor's responsibility to have their dog measured prior to running if necessary.** If your dog is measured into a taller jump height class, he must be moved up into it at the trial. **If your dog is measured down, he cannot be moved into a lower jump class. Measuring will take place at 8:15 AM, on June 17th, 18th, & 19th 2022.** It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request (Judge is a VMO!)

Jump Height Card Process: There is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or needs to be measured. Please mark the appropriate box, so the trial secretary knows whether to include your dog on the Dogs to be Measured List.

Doggie Yard Sale

Bring your new or gently used dog related items to our Doggie Yard Sale to be held at the OTCC June 17-19, 2022 Agility Trial. We all have items that we no longer use and what better place to find a new "home" for them - but this trial!

How it works:

1. Bring your items to the designated area at this trial. Mark your items with a tag that identifies you (You do not have to use your name. You can use any identifier you wish.) and how much you want for the item. Please ensure the items are clean - so please wash dog beds, human and dog clothing etc.

Dog related items only please such as dog equipment, dog clothing, and any other items (dog related human clothing, ornaments, books etc are fine) - and please no vendors.

2. The sale will be held on Friday through Sunday at noon. On an honor system. Purchasers will be required to notate any sales on a clipboard and deposit the funds in a box by the secretary's table.
3. Sellers must pick up unsold items on or before midday on Sunday or they will be disposed of at our discretion.

So clean out your dog related items and come and see what you can find to buy!!
