

Truckers Parade Against Cancer

372 Hidden Treause Lane

Pamplin, VA 23958

Sheila Jones 434-391-4026 / Emily Lawhorne 434-808-8099

Twenty three years, over \$1.6 million raised for cancer research. That statement is so powerful. Trucking Companies, big or small, that have participated in the Trucker's Parade, should be very proud of your accomplishments. It is only because of you that the parade has been a success. Cancer treatments and cancer drugs have come so far and the dollars you have raised have been a part of that. We are still in the race but the finish line has not been crossed. We are counting on you and your drivers to help cancer research cross that finish line.

This year's parade will be held on **October 14th**, at Central Middle School, in Charlotte Court House, VA. We need as many truckers as possible to keep this event growing. Local companies and owner operators have been the backbone of this event. We understand that some of you, may be growing tired, as we have aged together over the years, but we must continue. We forge on for the ones that can no longer, because cancer took them too soon. We continue for the ones that are too weak to fight, because at present cancer is kicking them down. We have to truck on and find away to cross that finish line to a cure. We gave you proof, that you are making a difference, when Courtney Lewis, now Courtney Brown, spoke with us last year and told us she was cancer free, and she married in May of this year. We introduced you to adorable Levi Keller, who was three and fighting hard. He is now cancer free. Truckers you are contributing to these blessings.

All this being said, talk to your drivers, reach deep into your hearts, go that extra mile to continue the fight. It may be one of us or one of them that need the next life saving treatment. Reach out on our behalf to companies you may deal with. Sometimes it's fun to include your competitor. Let them know the importance of what you are doing. Ask them to help in the fight. Share our flyer on your website or face book page, on your companies social media. Help us sell raffle tickets, call Sheila to discuss ways we can work together. Checkout our website for our wish list. There are so many ways that we all can pitch in to show the country, what an amazing, dedicated group you are, while helping improve cancer patients lives. Just think what would happen if each company recruited, just one more truck or competitors truck. Wow, what an event that would be.

Entry fees are the same, \$250.00 per banner. Remember, we can place up to three banners per truck. Trinity Transport has had five. New this year, we are offering to place your loved ones photo on the banner, for an additional \$75.00. It must be sent to us on Landscape paper. Photographs will allow us to honor our loved ones, like never before done. **Checks should be made payable to American Cancer Society** and the forms should be mailed to Sheila Jones, 372 Hidden Treasure Lane, Pamplin, VA 23958, by **September 29th**. We look forward to seeing you and your drivers. Maybe this will be the year we cross the finish line and we all can get some rest.
