Please contact Mike Riley 910-635-5383

September 2017 the town received a temporary worker through the Lumber River Council of Government Dislocated Worker Program. Bobby Sturdivant along with the towns part time maintenance employee James Bullard have done an outstanding job on much needed street maintenance work. As they continue to work on curb cleaning and ditches please give them a thank you on a job well done.

Nextdoor is the private social network for your neighborhood.

Nextdoor.com is the best way to stay informed about what's going on in your neighborhood—whether it's finding a last-minute babysitter, planning a local event, or sharing safety tips. There are so many ways our neighbors can help us, we just need an easier way to connect with them.

TRASH and RECYCLE NOTIFICATION

RECYCLABLE TRASH IN PLASTIC GARBAGE BAGS WILL NOT BE PICKED UP.

Trash pick-up is on Wednesday. One 90-gallon container (blue lid) will be provided a town resident for household refuse, along with one 90-gallon container (grey lid) for recyclable items. For collection of garbage please place your receptacle out the night before; (Tuesday Night) and **return to the rear of yard** the day of collection (Wednesday). Our provider will be picking up at an unknown time, so it is best to place your trash receptacle out **Tuesday Night**.

YARD DEBRIS

Collection of limbs, cuttings, leaves and grass clippings. Pick up is done weekly. Limbs, cuttings, leaves and grass clippings should not be mixed together. Leaves and grass clippings should be

bagged, limit of **10 (33 gallon) bags not to exceed 40 pounds.**

Limbs and cuttings should be in **one pile (not to exceed 3 ft. in height)** and **MUST NOT EXCEED** a size of **48 inches in length** and **2 inches in diameter**. Piles should be located on **YOUR** property at edge of street. Please

DO NOT place **YOUR** debris on someone else's property. Any piles that **EXCEED** this limit are considered charge piles at a charge of **\$25.00** per load. To avoid this charge, arrangements can be made for personal loading. Please contact the town hall for these arrangements.

UNACCEPTABLE: Loose piles of leaves, clippings, pine straw, any debris resulting from contracted services (including landscapers, laborers and tree services – this debris must be hauled off by the contractors or homeowner), sand or dirt piles.
