

CULLEN LAKES YACHT CLUB REGATTA 2018

The Fourth Annual Cullen Lakes Yacht Club (CLYC) Regatta will take place on Saturday, July 21, 3:00 pm. All boats will gather at the east end of Lower Cullen near the public access. Weather conditions and wind direction will determine the course layout which will be similar to past regattas.

It is amazing the CLYC will be having its fourth regatta. Broken rigging, lost markers, overturned boats, centerboards stuck in the mud and winds from not a hint of air to near hurricane forces have all made for very eventful days of past regattas. Nevertheless, each regatta provided an opportunity for sailors and their families to enjoy retelling tales from the high seas at the day's end. All family members are invited to a potluck which will take place at Kay and Dan Long's cabin (L66), 26047 Birch Avenue, following the race. Hamburgers, brats and drinks will be provided. Bring your own utensils and a dish to pass.

The annual awarding of the CLYC Trophy, Tom MacGibbon's work of art, and any official or unofficial business will take place prior to the potluck.

In order to plan for the social part of the regatta, please RSVP to either John Wesolosky, jjwesolosky@aol.com, 808-315-3114 or Dan Long, edaniellong@gmail.com, 734-476-5553.

Here's to a great day of sailing and socializing.
