DANCE & MUSIC

Now accepting new Apprentice Company members for the 21-22 Dance season!

We're looking for dancers age 5-9 with at least 1 year of dance experience, encouraging parents and great sportsmanship. Dancers interested need a positive attitude, a drive to improve their dance technique, and make new friends while working hard and having fun!

The Apprentice Company team meets for class every week, attends the weekend NUVO Dance Convention in January and performs their dance(s) at 3 local weekend dance competitions as well as at both dance recitals.

For the Fall 21-22 dance season, Apprentice Company members will learn a lyrical dance and jazz dance. Apprentice dancers in Youth Tap can add the Mini Tap class and participate in our Apprentice Tap competition dance!

We would LOVE your dancer on the team! Apprentice kids have the best time together and love getting to know and hang out with the older Company members. Our Competition Team families are wonderful, supportive and friendly. Everyone is truly proud of all the kids and we all enjoy watching them perform!

Come join our team!

If you have any questions, please see Ms. Brittney or the front desk!

We cannot wait to dance with you!
