We have a journey ahead of us. If we all work together it can be an amazing journey. Session is working on getting pulpit supply for a few months and we will form an interim search committee soon. When we find an interim, he/she will help us work through who we are and who we want to be in order to call the best person to lead us.

This journey may have some rocky spots but we are a family of faith and will work through those spots together. We all need to be present when possible to support whatever is happening at Church. If you have a concern or suggestion, please speak with a session member. Your session consists of Kim Barnes, Bettie Berry, Bobbie Carroll, Frank King, Bill Pattie, Sharon Weakley, Rives Wetsel, and Mike Willis. And Thank You for your patience.

The BC/AD system for designating dates before or after the birth of Christ was devised by a monk Dionysius Exiguus in 525 AD. He incorrectly placed the birth of Jesus in 1 BC because of an old text that placed his birth in the 28th year of the reign of Augustus Caesar. Augustus was accepted as emperor four years before the official ceremony, So, Jesus was probably born in 5 or 6 BC.
