

What to bring to Camp Girls

T-shirts – make sure you have some dark shirts for games that include water.

Tank tops – modest, not low cut. You will be active; please don't bring shirts you can't lean over in without someone seeing down them.

Racer backs are ok. I'm not concerned with your bra straps but I DO NOT want to see the bra itself in any way. No strapless tops. Make sure your stomach is covered even when hands are raised.

Swim Suit – modest – dark tank top should be worn over 2 piece.

Tankinis are fine as long as they are long enough to cover your stomach.

Shorts – modest – at least 2" inseam. Your shorts shouldn't be too short, too tight, or too small as to you cannot bend over in them.
