WHAT IS CONNECT?
CONNECT stands for Continuous Engagement between Community and Clinic Treatment

- Extends the clinic into the community
- Provides an extra layer of support
- Help clients gain rapid access to case management and clinical services

WHO IS IN CONNECT?
The CONNECT Team includes Case Managers, Prescribers, Licensed Clinicians

- Culturally and linguistically competent services

Languages available in English and Chinese dialects (Mandarin, Cantonese, Fuzhounese, and Shanghainese)

CONNECT welcomes referrals from providers

CONNECT
Our Behavioral Health Division is the largest provider of outpatient mental health services to the Pan-Asian community in the East Coast.
