Appointment

- Do not drink heavily the night before as alcohol will thin your blood.
- Drink plenty of water beginning the night before and eat a hearty meal before your appointment.
- Bring water, juice or soda. You may also want to bring a small snack.
- You may need a doctor's note if you have a medical condition such as a bleeding disorder, a heart condition, etc. Having one of these conditions does not mean we cannot tattoo you; it may only require you to return with your doctor's permission.
- Shower or bathe before your appointment (please!)
- Wear comfortable clothing, preferably something you would not mind getting ink stains on. You may want to bring a sweatshirt as some people find getting tattooed makes them cold.
- DO NOT FORGET TO BRING YOUR ID.

Guarantee

- We guarantee our work for three years excluding hands, feet and necks. We offer ONE free touch-up within that time. Touch-ups are by appointment only and may be scheduled on weekdays only. If you do not show up, the guarantee is null and void. You may reschedule once with 24 hours advance notice.
