# WELCOME

The Raymond Sutton family extends a warm welcome to you for our 66th annual Quarter Horse production sale. We believe it is the oldest Quarter We are a working ranch that raises horses, cattle and bison. Yearly income is from our livestock and we take our breeding programs very seriously. Our family has been raising superior quality horses and cattle for over a century. In 2001, we joined the elite list of the first 48 breeders to receive the AQHA Legacy Award for 50 continuous years of raising Quarter Horses. This year we will register our 2791th foal. During the ninety odd years we have been in the registered livestock business, our programs have had constant breed improvement as their foremost goal. It is our philosophy that a controlled bloodline-breeding program makes dominant breeders with distinctive carry-on breeding ability. Although we have outcrosses, our program has maintained good, solid foundation lines that have that carry-on ability.

When someone mentions a Sutton bred horse, the bloodlines have proven themselves over and over. We are very proud that our select band of mares and stallion battery are among the top in the nation. The World Champion Palomino Youth 14-18 Barrel Horse and the PRCA Barrel Horse of the Year were both purchased as weanlings in our sale. Solid Gold Edition tied for 5th in year-end

standings for AQHA Senior Stallions. The produce of Miss Winning Gal was first in AQHA Produce of Dam. Bill's Rock tied for 1st in AQHA Get-of-Sire standings for 2 years; Barnone Impressive was 3rd. Patty Punk tied for 1st in AQHA Produce of Dam and Peggy Note was 1st. A few years ago, 8 of the AQHA Year End High Point Horses could trace their pedigrees to Sutton bred stock. Our breeding program is not a fluke but something developed over years of careful matings and constant scrutiny. Foals run in hundreds of acres on our river pastures until the sale. They are strong, fit, and agile. The natural conditions allow the foals to develop bone structure, heart and lungs, and the muscular system. Research shows that the broader and more varied the types of exercise the young horse receives, the more overall body strength and soundness the foal develops. The large pastures give the developing foals physical and mental experiences that develop overall body strength and athletic ability. This can greatly increase the young horse's chances of long term superior performance.

Our goal is horses with superior dispositions, intelligence, conformation, and ability. We strive to produce horses that excel in looks and can perform in a number of disciplines. **This year the ranch has horses qualified for the World Show in Heeling, Calf Roping, Amateur Cutting, Junior Working Cowhorse, and Ranch Riding.**

Our stallion battery and mare band carry some of the best foundation and modern breeding to be found. The offspring are equally at home in the showing or rodeo arena, doing ranch work, or as a family friend. They don't have to be bucked out or ridden miles before they become dependable! The number of customers that return year after year to buy our horses is testimony to the success of our breeding program. It is not unusual for a customer to call wanting foals to replace horses gotten from us that are getting a little aged. The horses will be on display for you Saturday afternoon and Sunday morning. This will give you plenty of time to look over anything you might be interested in. Before sale day if you wish to stop by the ranch and look over the offering let us know when you are coming, we are always happy to have you see our herds.

In the many years we have been raising livestock, we have gained a respected reputation for fair dealing and standing behind what we sell. We value the trust people like you have in us and will continue to serve you as best we can.

**We look forward to hosting you at our 66th annual sale!**

Dry Doc was an NCHA Futurity Champion, is in the NCHA Hall of Fame, is #16 on the top 50 NCHA Leading Sire. She is also a half-sister to Pocodo Note, AQHA Champion, AYQHA Champion and AYQHA Supreme Champion. Snippy's Cowboy is an AQHA Champion and sired ROMS and performance champions. The full sister to this colt went to Idaho in the Ranching Heritage Young Horse Development Program. As a 2-year-old she was helping pull wood to the slash pile as they cleaned up their property. "Nothing fazes her ... she is absolutely wonderful." There is a little different genetics here. The contribution of Sweet Gallo Oak and Legendary Rock is familiar, but the bottom is a little different. Effs Roan Slipper came from AQHA Legacy Breeder Geno Hunt's program. She produced a number of working horses. A 3/4 brother to Legendary Slippers in Arizona is a gentle giant that works cattle for a living and doubles as a baby sitter. My White Slipper was one of Joe Schomer's favorite mares carrying the Skip Shi (Hank Weiscamp bred) genetics. Foundation and ability provide a number of possibilities.

I placed on Peppermints Echo in pleasure futurities as a two-year-old. She also has palomino halter and pleasure points. She was easy moving and smart. It only seems logical that she would pass this on to her daughter and grandson. Did I mention she also really liked to work cattle? This is a double-bred Cutter Bill with some of our foundation genetics (Bay Punk and Babe Cody). We haven't kept these bloodlines in our breeding program by accident! (Echo is 28 and still thriving in retirement on the ranch.)

With only 60 days of riding she had been ridden on trail rides by a 9-year-old, gone to brandings, and "cleaned the pen" at the Ranching Heritage Challenge. Nothing bothered her. This colt's 3/4 brother, RWS Oak of Texas, is in roping training with Cody Marx in Wisconsin. Heather reined on a 3/4 sister, RWS Sweet Tequila. She has a large motor and can slide a mile. A reining or working cowhorse prospect.

This young man will have big shoes to fill for there are "stars" in his background. Forbidden Pleasures is the dam of Snaps Rimrock Peggy. Shown in Missouri as a yearling she was Grand Champion Overall Halter Horse at the Dallas County Youth Fair 4-H Show. Impressive Peggy finished her last year of showing by being high point amateur and open aged mare, reserve amateur western pleasure, reserve amateur reining horse, 3rd in youth mares and qualified for the world in amateur aged mares. A full brother went to Nebraska last year to join another full brother working cattle and as part of a driving team. Add cutting ability (2X Cutter Bill) plus a great disposition and you have quite a package.

Here is a guarantee for an all-around horse. "Lysandra's" 3/4 sister, Sokota Sparkette, was high point youth pole and barrel horse for the CONQHA and SDQHA in 2001, 2002, and 2003. She has her youth ROM. In her spare time, she was used in ranch rodeos and as a working partner on cattle before she became one a top broodmares. Sparkette Gal is a full sister to Sparkling Rock (super disposition) and Bills Win (Heather's first youth horse); a half-sister to Sokota Sparky (dam of Sparky Impression, PRCA Barrel Horse of the Year) and Winning D Or (Ray's saddlehorse). A half-brother is a top team roping horse in Arizona and qualified for the USTRA championship in Oklahoma as well as bringing home saddles and money. Not much guesswork here!

This is a filly with the disposition we all want. "Charm" has the same quiet way of going and love of people that her dam, Blued Silver, had. "Silver" was always easy to catch and quiet under saddle. She was one of my saddle horses and could watch a cow. I showed her full brother and for three years he was high point gelding in his age group in two associations. He had a number of Grand and Reserve Championships to his credit. He became a dependable weekend trail partner in Nebraska. I have kept "Charm's" full brother for my saddlehorse and he is a pleasure to be around.

Her sire, Cats Merada is not only one of High Brow Cat's most attractive sons but he also has earnings of \$177,900. During the time he was shown he was a champion or finalist in 13 of the major cutting events. He is a sire of 290 money-earners of \$5,081,854 and earners of 1,247 AQHA Points. He is a NCHA Top 15 Leading Sire and an NCHA All-Time Leading Sire. She is the dam of 4 money-earners and her granddam, Round Oak Annie has earnings of \$9,585. Grays Starlight is a million dollar sire in both the NCHA and the NRHA. A young man bred in the purple with Peppy San Badger 2X, Leo 2X, Cutter Bill, Two Eyed Jack - Do you want to cut, do you want to rope, do you want a performer with a little speed or do you want a dependable mount? Ray rode this colt's granddam, Miss Sonora Bill, in the Dakota Cutting Classic Pleasure Futurity and placed second. His uncle, Legendary Rock, placed in a number of cutting futurities. Lots of possibilities to think of but knowing the disposition of mom, you will be happy with whatever you chose.

Look here .... genetics to burn. Out of a grand-daughter of Mr San Peppy (two time NCHA World Champion and AQHA Senior Cutting Champion) and Cutter Bill (AQHA Cutting Champion). I showed "Sweetie's" dam and she was a reserve halter mare in two associations. However, the best thing was to watch her move. She was one of the most natural moving horses we have produced. She "floated" when she covered ground and had a beautiful low head carriage. If you can't find a job for this young man that includes cows with a little speed in the mix then you aren't looking. He should have size and agility. Team ropers and working cowhorse riders take a note.

Don't let a late birthday let you pass this young man by. Ms Solid Gold Karma is a half-sister to ranch stallion Cutter San Cody. "Karma" competed as a 4-year-old in the Ranching Heritage Challenge at the Colorado State Fair. She placed in the top 10 in the working ranch horse class. Her dam, Silk Delight, was reserve amateur mare in both the SDQHA and the CONQHA. She placed in the top half of the horses competing in the Dakota Classic Cutting Futurity. Her full brother, Rocky Bill Cody, was an AQHA and AQHYA Champion. He carried Heather to the High Point Youth Senior Girl, All-Around Youth title. He was year-end High Point youth horse in youth geldings, western pleasure, hunter under saddle, showmanship, horsemanship, and equitation. His open points were in halter, western pleasure, heading, heeling, and was Reserve All-Around Horse in the SDQHA. "Silky" also had two other brothers who brought home year-end awards. A good candidate for Ranching Heritage, ranch versatility or a super tough ranch horse.

His dam's is a ¾ sister to Doc's Stylish Oak NCHA PE - \$8,662,891, ranked 19th in NCHA All-time leading sires. "Smokey" was shown his yearling year and was Reserve Yearling Stallion in the SDQHA. Now he earns his oats chasing cattle on the ranch. Once he locks on to a cow she doesn't get away no matter what hazard she goes over or through. His sire, Daniel J Bee, was one of the last breeding sons of AQHA Hall of Fame Horse, Jackie Bee. "Daniel's" get were known for the dependable and athletic working partners on many cattle ranches in western SD and WY. "Melody" has 2x Mr San Peppy on the top and Benito Bar Jack and Bill's Rock on the bottom. If you are looking for a ranch gelding with size, bone, and ability this is a good prospect.

# REFERENCE GRANDSIRE'S OWNED BY THE RANCH

## BILL'S ROCK

**B**ill's Rock had a profound influence on our breeding program for 25 years. It is due to his success as a sire that we are able to offer foals from the largest band of Cutter Bill grand-daughters in the nation.

"Bill" was a superior halter horse with 20 Grands and 15 Reserves and would have been an AQHA Champion if an injury had not ended his competitive years. He was a sire of uniform quality as can be attested to by his being first in the nation in AQHA Get-of-Sire two years accumulating 45 points and was first in the SDQHA Get-of-Sire for 9 years. He sired AQHA and AYQHA Champions, Superior and ROMs, race point earners and World Show Finalists.

grandsire, AQHA Champion and Superior Cutting Horse - Cutter Bill. Cutter Bill was AQHA High-Point Junior Cutting Horse, two time NCHA World Champion, Reserve World Champion. He set an all-time record for the most money earned in one year by a cutting horse. His final year of competition he won the Washington International Horse Show, The San Francisco Cowpalace, and the Las Vegas Open. Because of his cutting success he became known as the premiere cowhorse sire but his get excelled in many events. They were AQHA Champions, Superior Cutting and Halter Horses, and even AQHA year-end high point pleasures horses.

He is the sire of High Impression and the grandsire of Legendary Rock.

## BAY PUNK

**B**ay Punk was a horse before his time. When we showed him he was bigger and longer than most of the horses he competed against. People said he was too big to do much. However, he was one of the most outstanding performance horses the state of South Dakota ever had. He was the first horse honored by earning the title of All-Around Horse in the SDQHA. He earned the title by being High Point Reining, Calf Roping, Novice Cutting and Reserve Open Cutting and Halter Horse. Few horses can claim to be this versatile. He sired AQHA Superiors, World finalists, ROMs. Where he is most outstanding is through the produce of his daughters.

He was the son of the immortal Scooter S and carried Silver King, Midnight, and Old Joe Bailey Blood. Scooter S was a leading sire of show ROMs and Maternal Grandsires of AQHA Champions. He sired Superior Cutting, Barrel Racing, Reining, Calf Roping and Halter horses, World Champion and High Point Horses as well as numerous AQHA Champions.

He had 34 halter points, 27 firsts, 8 Grands and 9 Reserves in AQHA and 17 PHBA points in halter and color classes.

His get racked up AQHA halter and performance points. However they really

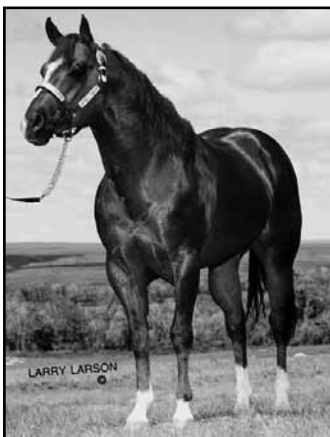

shined in Palomino competition. Victor D Or was High Point Junior Barrel Horse in the Nation and ROM in 8 events. Shi Rapid has been World Champion Palomino Youth Pole Horse 3 times. His get have over 500 PHBA points. Solid Gold Sonora, the 2005 World Champion PHBA Youth Barrel Horse and two time Reserve World Champion traces her genetics back to Rapid.

A gelding out of the Rapid D Or and a Bay

Punk mare was purchased as a weanling and resold as a 5 year-old. Within 3 weeks of his purchase he had won over \$10,000 at 3 team ropings. Rapid D Or is the grandsire of Solid Gold Edition.

## RWS SOKOTA JOE

**"J**oe" carried some of the best of our the foundation genetics. His pedigree of Bay Punk (first SDQHA All-around Horse), Pokey Dun (son of Pretty Boy), and Sorrel Spark (granddam of 2 AQHA High point year-end horses plus PRCA Barrel Horse of the Year) showcased some of the best of our 60 years of selective breeding. He was as old foundation as you could find: 4x

Harmon Baker, Old Sorrel, Bar Tonto, San Siemon, Question Mark, Scooter S, Poco Bueno, Yellow Wasp, and Tommy Clegg.

We only showed "Joe" one season and he was Reserve High Point Open and Amateur Stallion in the SDQHA. He followed in the hoofprints of his sire and dam who were both SDQHA high point horses too.

## MR HOLLIDAY PEP

**M**r Holliday Pep was bred on the King Ranch. He stood 15-2 with a huge hip and forearm.

AQHA Hall of Fame Horseman, Matlock Rose, said "The horses with Leo San blood are natural born cow horses. They want to work." The get of Mr Holliday Pep prove that. A son was the high point team

penning horse in North Dakota. The fillies we showed were quick learners with calm dispositions and able to turn on a dime. His two sons with get in this sale prove the potent genetics that he carried. Look at the notes on A San Peppy Legend for more information on Mr Holliday Pep.

# A SAN PEPPY LEGEND

2003 Sorrel Stallion .....Be sure to take a good look at the A San Peppy Legend offspring. His daughter, RWS Color Me Intrigued, was the Reserve Champion Youth Yearling mare at the Quarter Horse Congress and she was Reserve for the AQHA Young Horse Development Program. We are very pleased with A San Peppy Legend's ability as a sire. His foals have sharp profiles, smooth bodies, good legs and the plus of excellent dispositions when we work with them. We hear only good things about his offspring. One buyer bragged that his 2-year-old ground

and came to voice commands after less than 20 rides. Another is having success in team roping.

His topside features Mr San Peppy who was NCHA World Champion for two years and AQHA World Champion Senior Cutting Horse. He was the first cutting horse to earn over \$100,000 in NCHA open classes and was retired as the King Ranch's foundation sire. His get have proven themselves over and over. Peppy San Badger himself earned in excess of \$20 million. Doc Holliday was an AQHA Champion/Superior Pleasure son

of Doc Bar. He sired ROMs, NCHA Breeders Cup and Super Stakes Horses and the Canadian Open Champion and Youth Champion Cutting Horses.

"Peppy's" bottom is strong working blood. Solito Badger makes him 2x Mr San Peppy. Solita Doc makes him 2x Doc Bar plus Honey Peco is Hank Bar by Sugar Bars so he is 3x Three Bars. Add foundation blood of Pretty Buck and 3x Poco Bueno. All this adds up to a lot of foundation relation that have proven records in cattle events, on the race track, and in the show ring. **5 panel negative.**

# COUGARS ANDY

1995 Golden Champagne Stallion.... A son of Cougarand, NCHA COA and sire of cutting, reining, and ranch horse winners. One son was the Quarter Horse Congress Non-Pro Reining Futurity Champion and the NHRA Non-Pro Futurity Finalist; another is the AQHA Cowboy Ranch Horse Champion. A daughter is a Palomino World Champion

in Reining and a Dixie Nationals Reining Champion.

We are especially interested in Cougars Andy's genetics because he is a carrier of the rare champagne gene. When you look at him in the sun he has a wonderful metallic sheen. He is descended from the first identi-

fied champagne quarter horse. Triangle Lady 10 was foaled on the legendary Burnett Ranch in 1930. Before we purchased him, Andy was bred to a very limited number of mares and none of the offspring have show records. Judging from his foals this year, that is about to change! If the color genetics doesn't interest you, their sharp profiles will.

# CUTTER SAN CODY

2000 Sorrel Stallion .... Blood doesn't get much bluer than this. "Cody" carries the genetics of Mr San Peppy, Doc Holliday, Cutter Bill, and Bill Cody, all horses that are proven sires with gets that are recognized for their outstanding athletic ability and brains.

Silk Delight has a number of brothers that we showed. Rocky Bill Cody was an AQHA and an AYQHA Champion. He carried Heather to the High Point Youth Senior Girl, All-Around Youth, Youth Gelding, 14-18 Western Pleasure, Hunter Under Saddle, Showmanship, Horsemanship, and Equitation year-end awards in the South Dakota Quarter Horse Association (SDQHA). He earned his open championship with points

in halter, western pleasure, heading and heeling as well as gaining the Reserve All-Around title for the SDQHA. Another brother, Classic Macho Man, was SDQHA high point yearling stallion and he and Rocky" were 2/3 of the group that garnered the AQHA's Year End Award for Get-of-Sire for Bill's Rock. A third brother, Bill Rock Cody, was reserve yearling stallion. Silk Delight herself was reserve Amateur mare in both the SDQHA and the Center of the Nation Quarter Horse Association (CONQHA). She also was in the top half of the horses the year she competed in the Dakota Classic Cutting Futurity.

Caca Cody is a full sister to the outstanding halter mare, Dream Babe. Their sire, Babe

Cody (6x Old Sorrel) is credited in Legends Volume 5 as being one of the most influential early sires in the Northern Plains. He sired 11 AQHA Champions, 9 Superior Halter and Performance horses, and 20 ROMs. A number of his foals had points in cutting and reining. Bill Cody was AQHA 's first Honor Roll Halter Horse. He was the sire of Joe Cody "the patriarch of the Quarter Horse breed's first great reining horse dynasty". That was after his great success in the cutting pen.

We donated one of his daughters to the Ranching Heritage Young Horse Development Program, RWS A Peppy Delight. Check out her 2-year-old photo with owner, Morgan aboard! **5 panel negative.**

They have brought home money, year-end awards, reserve champion at the AQHA Novice Cattle Championships, top 30 in the NCHA year-end \$15,000 amateur and respectable placings at the AQHA World Show, Quarter Horse Congress and the Western States Championships. This stallion supplies breeding that is unique and will outcross well with our "foundation" lines insuring the gene pool is not shallow. **5 panel negative.**

# JUST A SILVER DUCK

2007 Grullo Stallion .... Just A Silver Duck is a very refined, halter pretty silver grulla stallion with all the correct moves in the cutting pen. He was runner-up to our Rios Santana in the South Dakota Cutting Horse Association for \$1,000 Horse. He and Heather lead the \$15,000 amateur completion. He is nearing his NCHA COA.

Just A Silver Duck is a son of Blue Duck Okie (Miss N Cash, Smart Little Lena, Colonel Freckles, , Doc Bar, Mr San Peppy) out of Just A Grulla Streak (Colonel Freckles, Peponita, Ed Echols, Doc Bar).

His get have 353 AQHA Performance Points, Performance ROMs, Superior Performance Awards and NCHA LTE: \$145,179. **5 panel negative.**

Due to an injury, we were unable to breed mares to "Duckie" last year. Look for his foals in 2018.

## LEGENDARY CUTTER

2007 Palomino Stallion .... His genetics say that he should sire individuals with cowsense and speed. His sire, Legendary Rock, placed in a number of cutting futurities and had AQHA Grand Championships. On the top is Cutter Bill and Two Eyed Jack for working ability. For speed he has Rapid Bar AAA+ and Mr Barnone AAA+.

On the bottom is AQHA Superior Horse and AQHA Champion credits from Solid Gold Edition. His dam's mother is a full sister to Sparky Impression, PRCA Barrel Horse of the Year and earner of \$250,000+. He is 4X Three Bars.

We have not been able to show "Cutter's" ability due to a neck injury as a foal. His

daughter, RWS Legendary Gal, we donated to the Ranching Heritage Young Horse Development Program. She and her owner, Brandy, hit the showring in Pennsylvania. RWS .. Scarlett was a Young Horse donation last year. She and her owner have done very well in completion in ID. **5 panel negative.**

## PEPPY PEDRO BADGER

1999 Bay Stallion ..... Peppy Pedro Badger has the genetics to do anything you desire be it in the show pen, rodeo, or trail riding. His daughter, RWS Cocoa D Or Badger, was high point Yearling Mare and Reserve Amateur Yearling mare in the SDQHA. Another daughter, RWS Peppys Sandy Doc saw action in the cutting pens of SD and NE and was 3rd in boxing at the Ranching Heritage Challenge.

His sire, Solito Badger, was raised on the King Ranch. He sired the Champion Junior Reining Horse in Idaho, the Canadian Reserve Champion Appaloosa Working Cow Horse, the High Point Reining Horse in North Dakota, and out of 600 entries in the 2001 National Reining Horse Futurity he sired two

of the semi-finalists. Solito Badger's sire is the great Peppy San Badger (Little Peppy): NCHA Futurity Champion, NCHA Derby Champion, NCHA Reserve World Champion, NCHA Hall of Fame, #2 on the Top 50 NCHA Leading Sires list. His get have won over \$20 million in the NCHA. He is ranked #4 on the leading paternal grandsire list and #8 on the maternal grandsire list. Solito's dam has two full sisters who have a produce that has done well in the NCHA. His full brother stood at stud for the government of Argentina.

"Pedro's" dam is a granddaughter of AQHA Hall of Fame Horse, Blondy's Dude and is a half sister to Carol Rose's famous Diamond's Sparkle. (for more information on Blondy's

Dude refer to Te Boston Dude's notes). Her sire, Duplicate Dude, is a Superior Trail Horse and placed 4th at the AQHA World Show. Her dam, is by Forty Pecos who had Grand and Reserve halter wins. He is by Mr Blackburn 40, a son of Pretty Buck, who was an AQHA Champion and won the Denver Stock Show twice. His dam on top is by Poco Pine out of a mare raised on the Waggoner Ranch. If you want foundation breeding with a modern, sharp profile then the foals by this stallion bear looking over.

## RIOS SANTANAS

2004 Sorrel Stallion .... Rio has had a good showing in the cutting pen. He and Heather won the \$1,000 rider in the South Dakota Cutting Horse Association and were second in the \$1500 amateur for NCHA Area 6. He was champion \$1,000 horse in NE and SD. He has earning of over \$3,000 and is a few dollars from his NCHA COA.

There is no one in the working horse world today who has not heard of his grandsire, Peptoboonsmal - winner of \$180,000 and sire of a get that earned over \$ 3.7 million in the first 4 foal crops that showed. He is ranked 4th leading cutting sire, 6th leading

paternal grandsire, and 5th leading maternal grandsire. His get are athletic and smart. Rio's granddame, Miss Santana Doc, is a full sister in blood to Smart Little Lena and dam of Dry N Freckled, the 51st highest money earning cutting horse ever at \$268,000.

Ms Rio Rock is a full sister to Tara Rock, the mare that Georga showed to the high point junior and amateur cutting titles for two years in the South Dakota Quarter Horse Association and the Center of the Nation Quarter Horse Association. Both of these mares had the typical Bill's Rock love of people and his kind dispositions. They passed this on to

their produce. Their grand dam, Sonora Gal, was the mother of Sonora Babe, a multiple champion cutting mare by Babe Cody. Their grandsires, AQHA Hall of Fame Horse, Two Eyed Jack and NCHA Hall of Fame Horse, Cutter Bill needs no introduction.

Rio's get are eye catchers with sharp profiles and chrome paired with their sire's great disposition (his foals halter break very easily). His son, RWS A Legendary Rio, that we donated to the Ranching Heritage Young Horse Development Program has done well. He was Champion AQHA California Exhibitors Youth Yearling Gelding and was third in the Young Horse Development Project. **5 panel negative.**

## ROYAL VACA REY

2009 Black Stallion... A son of Vaca Rey, he was injured when in cutting training as a 2-year-old so he is unshown. Watching him in the pasture, Royal is a smooth mover and handy in his footwork. If you look at his pedigree you will see something special.

Vaca Rey's dam, Autumn Boon is NCHA #5 all-time producing dam with PE \$1.6 million. Her mother, Royal Blue Boon, is #1 with PE \$2.6 million. "Royal" is one of only a few horses that are double-bred Royal Blue Boon so close up. "Royal" is the last foal of Royal

Black Peppy (Peptoboonsmal's full-sister). With Smart Little Lena, Dual Pep, and Peppy San Badger added, this is beyond a purple pedigree.

## SWEET GALLO OAK

1999 Bay Stallion .... Sweet Gallo Oak was destined to be a top reining horse but he injured a leg in training. The "feed-back" was that he was one of the most talented two-year-olds Todd Summers had worked with. His turns were cat quick and he was really beginning to sit down.

His sire, Gallo Del Cielo, was a finalist in

the NCHA Open Derby and a number of prestigious cutting events but his real place in history comes from his distinction as being the ninth standout stallion to earn the NRHA Million Dollar Sire status. "Oak's" dam is a ¾ sister to Doc's Stylish Oak, LTE \$77,000+ in cutting, ranking on the Leading Cutting Sire list and earner of AQHA Points. PE \$9,175,236 with his performers averaging \$19,600 in
