WELCOME & INTRODUCTION

This handbook is intended to help you get acquainted with Pinellas Preparatory Academy. It explains some of our philosophies and beliefs and describes, in general terms, some of our employment guidelines. We hope that it will serve as a useful reference document throughout your employment with Pinellas Preparatory Academy. Also, please understand that the handbook is not intended to be a contract (express or implied), nor is it intended to otherwise create any legally enforceable obligations on the part of Pinellas Preparatory Academy or its employees. This handbook supersedes and replaces all previous personnel policies, practices, and guidelines.

Because Pinellas Preparatory Academy is a growing and changing Charter School, the Board of Directors reserves full discretion to add to, delete or modify any and all policies, from time to time. At all times, these policies will be construed and applied in a manner consistent with all applicable local, state, and federal laws and regulations.

For this reason, we urge you to check with the Principal to obtain current information regarding the status of any particular policy, procedure, or practice.

This handbook is intended for your personal use and reference as an employee of Pinellas Preparatory Academy.

Please sign the acknowledgement form at the back of this handbook, tear it out, and return it to the Human Resources Department. This will provide Pinellas Preparatory Academy with a record that you received the handbook.

(1.1) **Mission Statement:** Pinellas Preparatory Academy strives to provide a creative and positive environment for emotionally mature children. Our excellent faculty shares with

parents and the community the responsibility to prepare each child for secondary education and beyond.

- (1.2) **Organizational Structure:** The Board of Directors sets policies and guidelines for the school and delegates to staff day-to-day responsibility for operational matters. The Principal consults with the staff members in order to allow for the greatest possible staff participation in the decision making of the school.
- (1.3) **Decision Making:** The Board of Directors is responsible for setting the budget, establishing school wide policies and overseeing the general operation of the school. It is the Principal's responsibility to ensure these policies are carried out, and to develop a system that ensures the input of school staff, students and community.
- (1.4) **Non-Discrimination:**
 - (1.4.1) **Non-Discrimination:** : Pinellas Preparatory Academy does not discriminate against anyone, to general operations of the school, and to any basis prohibited by applicable law or regulation.

Pinellas Preparatory Academy is committed to an environment in which all individuals are treated with respect and dignity. We believe that each individual has the right to work in a professional atmosphere that promotes equal employment opportunities and prohibits discriminatory practices, including harassment. Therefore, Pinellas Preparatory Academy expects that all relationships among persons in the workplace will be business-like and free of bias, prejudice and harassment. Thus Pinellas Preparatory Academy does not and will not tolerate discrimination against or harassment of or by our employees, students, vendors, or other person. The term "harassment" includes, but is not limited to, slurs, jokes, and other verbal, graphic, or physical conduct relating to an individual's race, color, sex (including discrimination against or harassment of individuals of the same sex), pregnancy, religion, national origin, ancestry, citizenship, age, disability, workers compensation claims, marital, veteran or any other protected status. "Harassment" may include a range of subtle and not so subtle behaviors and also includes unwelcome or unwanted sexual advances, requests or demands for favors, offensive touching, and other types of conduct whether it be physical, verbal, graphic, or electronic communication (including e-mail and facsimiles) of a harassing or sexual nature involving individuals of the same or different gender. This includes, but is not limited to:

- Unwelcome or unwanted physical contact or sexual advances including, but not limited to, patting, grabbing, pinching, brushing-up against, hugging, cornering, kissing, fondling, or any other similar physical contact.
- Unwelcome requests or demands for favors including, but not limited to, subtle or blatant expectations, pressures, requests or demands for sexual, unethical or illegal favors; or unwelcome requests for dates or contacts. Such unwelcome requests or demands may or may not relate to an implied or stated promise of preferential treatment, or a threat of negative consequences concerning employment, including, but not limited to, promotion, demotion, transfer, layoff, termination, pay or other form of compensation, and selection for training.

- Verbal and written abuse or unwelcome kidding including, but not limited to, that which is sexually-oriented, including same-sex harassment; commentary about an individual's body, sexual prowess or sexual deficiencies; inappropriate comments about race, color, religion, sex, pregnancy, national origin, ancestry, citizenship, age, disability, workers compensation claims, marital, veteran or other protected status; dirty jokes or other jokes which are unwanted and considered offensive or tasteless; or comments, innuendoes, epithets, slurs, negative stereotyping, leering, catcalls or other actions that offend, whether sexually oriented or otherwise related to a prohibited form of discrimination or harassment.
- Any form of behavior that unreasonably interferes with work performance, including, but not limited to, unwanted sexual attentions, comments, interruptions, or other communications, whether sexually-oriented or otherwise related to a prohibited form of discrimination or harassment, that reduces productivity or time available to perform work-related tasks or otherwise interferes with work performance.
- Actions that create a work environment that is intimidating, hostile, abusive, or offensive because of unwelcome or unwanted conversations, suggestions, requests, demands, physical contacts or attentions, whether sexually-oriented or otherwise related to a prohibited form of discrimination or harassment.
- The distribution, display, or discussion of any written or graphic material, including calendars, posters, cartoons, or names, that belittles or shows hostility or aversion toward an individual, his/her relatives, friends or associates or a group because of race, color, religion, sex (including same sex discrimination or harassment), pregnancy, national origin, ancestry, citizenship, age, disability, workers compensation claims, marital, veteran or other protected status.

All employees and applicants are covered by this policy and are strictly prohibited from engaging in any form of discriminatory or harassing conduct. Further, no employee has the authority to suggest to another employee or applicant that the individual's employment, continued employment, or future advancement will be affected in any way by entering into, or refusing to enter into, a personal relationship. Such conduct is a direct violation of this policy.

Conduct prohibited by this policy is unacceptable in the workplace and in any work-related setting outside the workplace, such as business trips, business meetings and business-related social events.

Violation of this policy will subject an employee to disciplinary action, up to and including immediate discharge.

(1.4.2) Retaliation is Prohibited: Pinellas Preparatory Academy prohibits retaliation against any individual who reports discrimination or harassment or participates in an investigation of such reports. Retaliation against an individual for reporting harassment or discrimination or for participating in an investigation of a claim of harassment or

discrimination is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action, up to and including termination.

(1.4.3) Reporting Procedures and Investigation: : Pinellas Preparatory Academy strongly urges the reporting of all incidents of discrimination, harassment or retaliation, regardless of the offender's identity or position. Individuals who believe they have experienced conduct they believe is contrary to Pinellas Preparatory Academy's policy or who have concerns about such matters should file their complaints with the Principal, any Member of the Board of Directors, or the Board's designee, whereupon the matter will be discreetly and thoroughly investigated. Pinellas Preparatory Academy will then take immediate steps to stop any behavior which violates this policy and see that it does not repeat itself. Disciplinary action, up to and including termination, calculated to end the discrimination or harassment, will be taken, when appropriate, against the offender(s).

Employees who have experienced conduct they believe is contrary to this policy have an obligation to take advantage of this complaint procedure. An employee's failure to fulfill this obligation could affect his or her rights in pursuing any claim.

Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of discrimination or harassment. Therefore, while no fixed reporting period has been established, Pinellas Preparatory Academy strongly urges the prompt reporting of complaints or concerns so that rapid and constructive action can be taken.

The availability of this complaint procedure does not preclude individuals who believe they are being subjected to harassing conduct from promptly advising the offender that his or her behavior is unwelcome and requesting that it be discontinued.

(1.4.4) Responsive Action: : Conduct constituting harassment, discrimination or retaliation will be dealt with appropriately. Responsive action may include training, referral to counseling and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as Pinellas Preparatory Academy believes appropriate under all of the circumstances.

Any person utilizing this complaint resolution procedure will be treated courteously, and the problem will be handled swiftly and as confidentially as possible in light of all the circumstances, with appropriate corrective action being taken. The registering of a complaint will in no way be used against that individual, nor will it have an adverse impact on their employment status. A record of the complaint and findings will become a part of the complaint investigation record and that file will be maintained separately from the personnel files.

(1.4.5) Conclusion: : Individuals who have questions or concerns about this policy may talk with the Principal or any member of the Board of Directors.

Please keep in mind that the very nature of discrimination, harassment and retaliation makes it virtually impossible to detect unless a complaint is appropriately reported. Do not assume that Pinellas Preparatory Academy is aware of your problem! It is your responsibility to bring this information to the attention of Pinellas Preparatory Academy so the issue can be resolved.

- (1.4.6) **Training:** New employee orientation training shall include a component on the harassment policy. All administrators are responsible for assuring that their staff members are familiar with the policy on harassment and that new employees are orientated as necessary throughout each school year. As part of the review of the Code of Student conduct at the beginning of the school year, this policy will be discussed in student classes, school advisory councils, and parent and teacher associations. Students enrolled after the beginning of the school year will be provided a copy of the Code of Student conduct and advised of this policy.
- (1.5) **Parental Involvement:** We believe that educating a child is not something that can happen in only one environment, and requires the active participation of adults from various perspectives to best influence children. As such, we believe parental involvement in a child's education and in the school itself is essential for promoting a positive learning atmosphere.

Parents are actively encouraged to participate within the school in any way possible. This could include volunteering to assist in the classroom, volunteering to chaperon events for the school, assisting in the office, volunteering for the Parent Teacher Enrichment Group or by serving on the Board of Directors. Parents should seek ways to involve themselves within the school.

The directors are the custodians of the integrity of the school; they hold in trust the school’s reputation as created by its founders, and as developed by those who have shaped the school in the past. - (2.7.4) **Voting By Proxy:** Board Members may not vote by proxy. In circumstances where attendance at the meeting is impossible, the Board member may be present by speaker phone where he/she can hear the motion and all present can hear their vote.
- (2.7.5) **Committees:**
- (2.7.5.1) **Development of Committees:** The Board of Directors by resolution adopted by a majority of voting members may designate one or more committees, each of which shall consist of at least one voting Board member, plus any non-board members as the Board sees fit to appoint.
- (2.7.5.2) **Committee Reports:** All Board Committees are subject to the direction and control of the Board and a designated Board member serving on that committee will serve as chairman or appoint a chairman who will report directly to the Board in the public Operational Board meeting, unless a Special Meeting is called and lends itself to the function of the committee.
- (2.7.5.3) **Authority:** The designation of such committees and the delegation thereto of authority shall not operate to relieve the Board of Directors or any individual member thereof of any responsibility imposed on it, him, or her by law. Committee recommendations are not binding until and unless adopted by a majority vote of the Board of Directors in session, provided a quorum is present.
- (2.8) **Employer Responsibilities:**
- (2.8.1) **Purview of Private Employer Matters:** Although the Principal is responsible for all faculty hiring and evaluations the Board sets general guidelines for the qualifications of staff, terms of contracts, performance evaluation expectations, administrative grievance procedures, non-renewal and termination processes.
- (2.8.2) **Private Employment Matters:** Most private employment matters will be effectively handled by the Principal of the school. On occasion, should the Principal need additional

advice or recommendations, the Principal will consult with either the employee leasing company's HR department, or an employment attorney.

- c) Employee assessments
- d) Signed contract (if required)
- e) Signed loyalty oath if required by the State of Florida or the Federal Government.

It is the responsibility of the employee to obtain and submit these documents:

- a) Florida Certificate: the employee must submit the original. A copy shall be made to keep within the file, and the original shall be returned to the employee.
- b) Health Certificate: Prior to initial employment and re-employment following a termination, some employees may be required to submit a certificate of health signed by a licensed medical practitioner attesting to the employee's freedom from contagious and infectious diseases and other physical and medical impairments which would prevent the applicant from performing the duties for whom an employment contract is required.
- c) Contracts: Each employee shall sign the offered contract and submit it to the school office within the specified time.
- d) Certificate Extensions/Additions: Other official correspondence with the state Department of Education and any other documents which may be requested shall be copied in the school office. Copies shall be retained and the originals shall be returned to the employee.

Personnel records shall be open for inspection and copying consistent with Florida law, Chapter 119 and Federal laws. Social Security numbers will not be disclosed to the public. Evaluations shall be confidential and not open to the public until the end of the school year immediately following the school year in which the evaluation was made. The following payroll deductions are not open to the public: credit union cards, W-4's, tax shelter information, tax levy, court records.

Compensation and Benefits

(3.2.1.1) **Salaried Employees:** Instructional and administrative staff members shall be salaried employees. Salaries shall be made in accordance with schedules adopted by the Board of Directors of the school, and in accordance with state and federal law.

(3.2.1.2) **Hourly Employees:** Non instruction and non administrative employees shall be paid hourly. Hourly rates will be set by the Board of Directors of the school and in accordance with state and federal law.

(3.2.2) **Dual Employment and Compensation:** An employee may provide services regarding a non-school developed curriculum or program or participate in programs sponsored by other agencies when approved in writing by the Principal or his designee. An employee who chooses to request temporary paid leave when engaged in such activities must remit to the School any remuneration (honorariums, stipends, consultant service fees, etc.) received. In addition, the employee shall remit any travel expense reimbursement provided by the sponsoring agency to the School when the School is liable for travel expenses authorized by the approved request.

An employee may not retain such compensation without utilizing personal leave chargeable to Paid Time Off (PTO), or personal leave without pay. An employee wishing such compensation must request the leave through the submittal and approval of the prescribed forms. The School will not be responsible for workers' compensation or liability protection or any benefits for employees on personal leave.

A School employee providing consultation concerning a school developed curriculum or program must remit to the School any remuneration received.

(3.2.3) **Vacations / Paid Time Off**

(3.2.3.1) **Salaried Employees:** Salaried employees will be granted Paid Time Off (PTO) within the contract/agreement with the School.

(3.2.3.2) **Hourly Employees PTO:** All full-time employees are eligible. Temporary, part-time and PRN employees are not eligible. PTO accumulates in relationship to all regular hours you actually work. PTO does not accumulate on overtime hours or on hours not worked, such as when you are using PTO or are on a leave of absence. You may begin using your PTO at any time after it accumulates, however you may not use PTO in advance of any accumulation of it.

Years of Experience	Accumulation Multiplier	Approximate Weeks Off for Full Time Employees
Year 1	0.042017	(2 Weeks)
Years 2 - 5	0.064378	(3 Weeks)
Years 6 -	0.087719	(4 Weeks)

(3.2.3.3) **Hourly Employees Paid Holidays:** Hourly employees who normally work during the following times will be provided holiday pay for the following days. The amount to be paid will be based on the annual average hours worked per day, which is calculated by finding the sum of hours in the work agreement with the employee divided by 52, divided by 5.

Paid Holidays Time

- Independence Day
- Labor Day
- Thanksgiving (total of 3 days)
- Winter Break (total of 5 days - Schedule to be determined by the Principal)
- Martin Luther King, Jr. Day
- Memorial Day

(3.2.3.4) **Approval:** PTO requests must be approved by the Principal prior to the absence, unless the absence is a sick-day and prior notification is not possible.

(3.2.3.5) **Substitutes:** Staff members who require substitutes are responsible for making arrangements for substitutes themselves. A list of potential substitutes will be supplied to staff members annually.

(3.2.3.6) **Overuse of PTO:** If a staff member uses all PTO allotted to them, any additional sick days will be without pay. PTO time will be awarded at the beginning of the school year, should an employee leave before the end of the school, PTO will be prorated and the employee will be expected to pay back over-used PTO.

(3.2.3.7.1) **Unused PTO for Salaried Employees:** PTO remaining at the end of the year will be paid back to salaried employees at the end of the fiscal year (July 1 – June 30). For salaried employees, the amount to be paid back will be calculated by taking the employee’s salary, divided by the number of days to be worked during the year, times the number of PTO days remaining.

(3.2.3.7.2) **Unused PTO for Hourly Employees:** Hourly employees are encouraged to use their PTO time during the fiscal year in which it accrues (July 1 – June 30), however, up to fourth (40) hours of accrued PTO time may be carried forward to the following fiscal year. No more than forty (40) hours may be carried forward into the next year.

(3.2.4) **Leaves (General):**

(3.2.4.1) **MILITARY LEAVE:** If you enter military service while working for Pinellas Preparatory Academy, you will not lose your status as a regular employee. You will be given an unpaid leave of absence for the duration of your initial tour of duty and your time in the service will count toward your length of service with the School. If you are a member of a reserve component of the armed forces, you will be granted unpaid leaves necessary to fulfill the requirements of this affiliation. You may use your vacation time instead of leave time for this purpose if you prefer, but you are not required to do so.

IF YOU APPLY FOR REEMPLOYMENT WITHIN THE TIME SPECIFIED BY FEDERAL LAW FOLLOWING AN HONORABLE DISCHARGE FROM THE SERVICE, YOU WILL BE GIVEN EMPLOYMENT COMPARABLE TO THE POSITION YOU PREVIOUSLY HELD.

(3.2.4.2) **Family and Medical Leave:**

(3.2.4.2.1) **FMLA Leave**

(3.2.4.2.1.1) **Eligibility:** If you have a cumulative (not necessarily continuous) 12 months of prior service with the School, and you have worked at least 1,250 hours during the 12 months immediately preceding the date on which your requested FMLA leave would commence, and you work at a location where at least 50 employees are employed, or work within a 75 mile radius of one or more locations where a total of 50 employees are employed, you meet the basic eligibility requirements for unpaid FMLA leave.

(3.2.4.2.1.2) **Types Of FMLA Leave Available**

(3.2.4.2.1.2.1) **FMLA Parental Leave:** Leave needed by you to care for or bond with your child within 12 months of the birth or placement for adoption or foster care of your child.

(3.2.4.2.1.2.2) **FMLA Serious *Family* Illness Leave:** Leave needed by you in order to care for a spouse, child or parent who has a serious health condition (as defined by law). A child, for the purposes of this policy, includes an individual who is either: (1) under the age of 18 or (2) 18 or older but who is incapable of self-care because of a mental or physical disability. The child must also be related to you as a biological, adopted, foster, step-child or legal ward or a child to whom you stand “in loco parentis.” Persons who are “in loco parentis” include those with day-to-day responsibilities to care for and financially support a child.

(3.2.4.2.1.2.3) **FMLA Serious *Personal* Illness Leave:** Leave needed by you because of your serious health condition (as defined by law)(including job-related injuries).

A “serious health condition,” for purposes of this policy, is an illness, injury, impairment, or physical or mental condition which involves: inpatient care in a hospital or any subsequent treatment in connection with such inpatient care; continuing treatment by a health care provider for any period requiring an absence from work for more than three calendar days; a chronic serious health condition which requires periodic visits to a health care provider over an extended period of time which may cause episodes of incapacity (*i.e.*, asthma, diabetes, epilepsy); a period of incapacity for a long-term or permanent condition for which treatment may not be effective (*i.e.*, Alzheimer’s Disease, severe strokes or the terminal stages of a disease); any absence for multiple treatments by a health care provider for restorative surgery or any condition which would likely result in a period of incapacity of more than three calendar days if untreated (*i.e.*, cancer (chemotherapy), severe arthritis (physical therapy), kidney disease (dialysis); any period of incapacity due to pregnancy or for prenatal care.

Family and Medical Leave does not include routine physical, eye or dental examinations. In addition, taking over-the-counter medication such as aspirin, antihistamines or salves or bed rest, drinking fluids, exercise, and other similar activity which may be initiated without a visit to a health care provider is not by itself sufficient to constitute a regimen of continuing treatment to allow the employee to take leave under this policy. Therefore, unless complications arise,

the following are not considered “serious health conditions” for purposes of this policy: the common cold, the flu, ear aches, upset stomach, minor ulcers, headaches other than migraine, and routine dental or orthodontia problems. (While these minor conditions may not entitle you to FMLA Leave, you may be able to take leave under the school’s sick leave policy. Please see that policy to determine if you may use sick leave and/or other paid time-off because of these or other minor conditions).

If you are injured on-the-job, that injury also may qualify as a serious health condition under the FMLA. In this instance, the School may designate the leave due to an on-the-job injury as a FMLA leave of absence. The FMLA leave of absence will begin to run from the beginning of the absence caused by the on-the-job injury and will run simultaneously with any workers’ compensation absence that also may be provided to you.

(3.2.4.2.1.3) **Duration**

(3.2.4.2.1.3.1) **In General:** Eligible employees are entitled to a total of 12 weeks of FMLA leave during any “rolling” 12-month period (measured backward from the date the FMLA leave sought by the employee would begin). For example, if you took six (6) weeks FMLA leave beginning on January 5, 2004, and an additional six (6) weeks FMLA leave on March 1, 2004, you are not entitled to additional FMLA leave until January 5, 2005, at which time you would be eligible to request up to an additional six (6) weeks of leave.

(3.2.4.2.1.3.2) **Married Employee Couples:** In cases where both husband and wife work for the School, they will be eligible for a combined total of 12 weeks of FMLA leave for Parental Leave and/or FMLA Serious Family Illness Leave needed by either spouse to care for a spouse’s parent (not parent-in-law) who has a serious health condition.

(3.2.4.2.1.3.3) **Parental Leave Limitations:** Entitlement to leave for the birth or placement for adoption or foster care expires at the end of the 12-month period beginning on the date of the birth, placement, or adoption. Any Parental Leave must be concluded within this 12-month period.

(3.2.4.2.1.3.4) **Intermittent Leave or Reduced Work Schedule Leave:** When medically necessary, Serious *Family* Illness Leave or Serious *Personal* Illness Leave may be taken intermittently, in separate blocks of time (no less than one hour), or on the basis of a “reduced leave schedule” under which your usual working hours each day or each week are reduced. Requests to take Parental Leave on an intermittent or reduced work schedule may be granted at the discretion of the School.

(3.2.4.2.1.4) **Request and Approval:** FMLA Leave requests must be submitted to the Principal. Requests for leave must be accompanied by appropriate documentation such as a *Certification of Health Care Provider* form (available from the Principal) whenever the need for such leave is foreseeable. In cases where the

need for leave is not foreseeable, a *Certification of Health Care Provider* must be provided within fifteen (15) calendar days of the request or as soon as reasonably possible under the circumstances. Failure to provide this required medical certification may result in denial of leave, denial of continuation of leave until the certification is provided, and/or automatic re-designation of the leave as other than FMLA leave, or treatment of the absence as unexcused. Sometimes the Principal will know the reason for the leave, but will not be able to confirm that the leave qualifies as FMLA Parental, Serious Family Illness, or Serious Personal Illness Leave, or the School will have requested a *Certification of Health Care Provider* that has not yet been received, or the parties are in the process of obtaining a second or third medical opinion. In these cases, the School may preliminarily designate the leave as FMLA leave. Upon receipt of the requisite information from you, or of a *Certification of Health Care Provider* confirming the leave qualifies under one of the FMLA leave provisions, the preliminary designation will become final. If you fail to provide information necessary to confirm that an absence is eligible for FMLA leave, fail to provide the completed *Certification of Health Care Provider* in a timely manner, or if the documentation does not confirm the absences are eligible for FMLA leave, the designation of the absence(s) as preliminarily eligible under FMLA is automatically withdrawn, considered unexcused and treated accordingly. The School will attempt to notify you of this withdrawal, but you should understand that it your responsibility to provide the appropriate information and/or medical certification within fifteen (15) calendar days, or to provide an explanation and verification as to why this time frame is impractical.

You must provide the School with at least thirty (30) days notice of the need for FMLA leave whenever the need for the leave is foreseeable (such as when the leave is for an expected birth or placement for adoption or for planned medical treatment). When planning medical treatment, you should consult with your supervisor and attempt to schedule the treatment so as to minimize the impact of the absence on the operations of the School. In cases where the need for leave cannot be anticipated thirty (30) days in advance, you must give notice of the need for leave as soon as possible (no later than one or two business days) after the learning of the need for the leave. Failure to give proper advance notice of the need for FMLA leave when the need for such leave is foreseeable may result in denial of the leave until thirty (30) days after such notice is provided.

In the case of Serious *Personal* Illness Leave or Serious *Family* Illness Leave, the School may request medical re-certification every thirty (30) days, or whenever you request an extension of leave, circumstances described in the original medical certification have changed significantly (such as the duration or nature of the illness or complications), or the School receives information which casts doubt on the continuing validity of the medical certification.

If the certification by the healthcare provider is for a period greater than thirty days, the School will not request re-certification until that greater period has

expired or circumstances described in the original or previous medical certification have changed significantly (such as the duration or nature of the illness or complications), or the School receives information which casts doubt on the continuing validity of the medical certification.

If the School has reason to question the validity of a medical certification provided by the your health care provider, the School may require that you obtain a second opinion, at the School's expense, from a health care provider designated by the School. In the event the second opinion differs from the first, the School may require you to obtain a third and final opinion, again at the School's, expense, from a health care provider jointly approved by the School and you.

Timely requests for FMLA leave from eligible employees will be granted as required by state and federal law. FMLA leave, when applicable, will run concurrently with any other leave of absence.

(3.2.4.2.1.5) **Reports on the Employee's Status and Intent to Return to Work:** If you are on FMLA leave, you are required to keep the School advised of your status and intent to return to work. While on leave, you must contact Human Resources every 2 weeks and inform them of your status and intent to return, unless other reporting arrangements have been expressly made. Your failure to keep the School advised of your status and intent to return to work may be considered a resignation from employment.

(3.2.4.2.2) **General Medical Leave (Including Pregnancy And Illnesses That Do Not Qualify For FMLA Leave)**

(3.2.4.2.2.1) **Eligibility:** General Medical Leave is separate from PTO or other leave pursuant to the School's paid time-off policy. Full-time employees who have completed their initial introductory (probationary) period are eligible for unpaid General Medical Leave. Exceptions to this full-time employment requirement may be made where required by law to accommodate pregnancy related disabilities, on-the-job injuries or illness, or to accommodate an employee with a disability under the Americans With Disabilities Act.

You may request a General Medical Leave of Absence when you are unable to work due to a medical condition and you have exhausted (or are expected to exhaust) all available PTO, yet you are still unable to return to work. **General Medical Leave is leave that does not qualify as FMLA Serious Personal Illness Leave, as described above, either because the medical condition is not a "serious medical condition," or because you are not eligible for or have exhausted all FMLA leave.**

(3.2.4.2.2.2) **Duration:** General Medical Leave, if granted, is granted only for the period of inability to work due to a medical condition, not to exceed 90 days during any "rolling" 12-month period (measured backward from the date the General Medical Leave sought by the employee would begin).

- (3.2.4.2.2.3) **Request and Approval:** Requests for General Medical Leave should be submitted to Human Resources in the same fashion as requests for FMLA leave discussed above.

Requests for General Medical Leave must be accompanied by a *Certification of Health Care Provider* form (available from Human Resources). The School, requires the same information from your health care provider for General Medical Leave as it does for FMLA Serious Personal Illness Leave. Accordingly, we use the same medical certification form for both.

Properly supported and timely requests for General Medical Leave from eligible employees will ordinarily be granted, subject to the duration limit stated above.

- (3.2.4.2.2.4) **Reports on the Employee's Status and Intent to Return to Work:** If you are on approved General Medical Leave, you are required to keep the School advised of your status and intent to return to work. While on leave, you must contact Human Resources every 2 weeks and inform them of your status and intent to return, unless other reporting arrangements have been expressly made. Your failure to keep the School advised of your status and intent to return to work may be considered a resignation from employment.

- (3.2.4.3) **Leave for Jury Duty:** If an employee is called for jury duty during a period you are regularly scheduled to work, you are not required to use PTO to cover your absence. When you are not impaneled for actual service and only on call, you shall report back to work unless authorized by your supervisor to be absent from your work assignment.

- (3.2.5) **Employee Benefits:** The School provides a comprehensive Benefit Plan which may vary from year to year as determined by the Board of Directors.

- (3.2.5.1) **Eligibility:** Regular employees who work at least thirty (30) hours per week including job-share employees are eligible for benefits, per individual contracts.

Initial Enrollment: Enrollment and change forms are due in the office within thirty (30) calendar days of hire or change of eligibility status. Coverage becomes effective the first day of the month following thirty (30) days of employment in an eligible benefit status.

Open Enrollment: The Board provides an annual open enrollment period during which an employee may add, cancel, or change coverage. If no action is taken by the employee to change coverage, previous coverages will continue for the next calendar year.

- (3.2.5.2) **School Contribution:** The School contributes toward the cost of certain employee benefits each pay period during the school year in which a paycheck is earned. In any period during which a paycheck is not earned, the employee will owe both the School contribution amount and the normal insurance deductions. School contribution amounts vary and are determined by the Board annual.

- (3.2.5.3) **Termination of Coverage:** Insurance coverage ends the last day of the month in which an employee no longer meets eligibility requirements or terminates employment.
- (3.2.5.4) **Leaves of Absence:** While on an approved, unpaid leave of absence, employees are required to pay the entire cost of all insurance plans, including the School paid portion in order for coverage's to continue. The appropriate person(s), agencies, School, and/or organizations must receive payment by the first of each month. Insurance coverage will be canceled for nonpayment if full payment is not received by the due date. When an employee is on an approved Family Medical Leave (FMLA), the employee is responsible only for payment of the portion of premium(s) the employee normally pays. Nonpayment of premiums will result in cancellation of coverage.

Suspension Without Pay: While on suspension without pay, an employee is considered to be on unpaid leave of absence. As such, the employee is entitled to maintain insurance coverage by paying the total cost of insurance. If the employee elects to continue insurance and is reinstated, the employee will be refunded the School contribution paid during the period of suspension. If the employee elects to continue insurance and is not reinstated, the insurance will terminate the last day of the month in which the employee is dismissed. If the employee chooses not to continue insurance and is reinstated, insurance will be reinstated the first of the month following the date of the final order and the employee will be responsible for any regular employee contributions.

- (3.2.5.5) **Worker's Compensation:** The School provides Workers' Compensation benefits pursuant to Florida law.
- (3.2.5.6) **Benefits Payback Option:** If an employee decides not to participate in the benefit options provided, the school agrees to provide the amount allowed as an addition to the employee's paycheck. The employee must acknowledge that his amount would then become a taxable amount on their paycheck. If an employee elects this option, the school shall provide a form during the open enrollment period for the employee to make this election. The school will also deduct employer costs from the amount it adds to the employees pay check (federal employment taxes, insurance costs, administrative fees, etc.).

Employee Behavior

- (3.3.1) **Personal Financial Obligations:** Employees are expected to handle their personal financial obligations in such manner as to prevent the involvement of the school.
- (3.3.2) **Conflicts of Interest:** No employee or directors of the School shall solicit students, employees, or the School for the selling of goods and services, other than as part of a school or PTEG activity.

No employee shall accept any gift, favor, or service of value from companies or organizations that now are engaged in, or are being considered for, doing business with the school, with the exception of the Parent Teacher Enrichment Group.

Expenses for trips to evaluate products or equipment shall be paid by the School if previously approved by the Principal or his designee. However, once equipment is purchased or leased, personnel may attend training sessions at the expense of the School if training is included as a service within the purchase or lease price, and is approved by the Principal.

When a seminar, training, or educational meeting or session is provided by an industry representing more than one company and offered at no cost, or at reduced or partial costs, to staff, and the resulting knowledge or training is judged by the Principal (or designee) to be in the School's interest with no advantage or obligation given to an individual company, and to be no conflict of interest, the Principal (or designee) may authorize attendance.

No employee shall accept other employment which might impair the employee's independence of judgment in the performance of duties for the School.

Violation of this policy may constitute grounds for dismissal from employment.

- (3.3.3) **Political Activities:** *Leaves of absence:* The School recognizes the right of its employees to campaign for and to hold elective public office, except as prohibited under 112.313(10) F.S. and any other provisions under the statutes and laws of Florida. Accordingly, the School authorizes both short term and long term personal leaves of absence, without pay, for its employees in order that such employees abstain from conflicts which may arise between the employees' performance of their official duties in this School and their political activities.

Protection against conflicts: The Principal (or designee) is directed to provide procedures that will guarantee such employee rights, while at the same time protecting the school system against any conflicts that might arise, such as interferences with the normal discharge of one's duty, as the result of an employee's engaging in political activities and/or while holding public office.

General Regulations:

- a) School employees engaging in political activities shall make it clear that their utterances and actions are theirs as individuals and that they in no manner represent the views of the School.
- b) Employees are prohibited from engaging in political activities on School premises.
- c) Employees requesting personal leaves of absence for political activities shall apply in writing to the Principal, giving full particulars for such requests for leave. The Principal (or designee), shall, within a reasonable period of time, advise the employee of the decision concerning the employee's request for leave.
- d) Employees engaging in political activities or in the holding of public office shall not use time, facilities, or personnel of the School to engage in such activities. Specifically, the use of copy reproduction equipment or other machinery or

supplies, the use of secretarial help, or any other school facilities or personnel is strictly prohibited. Telephone use for such political activities during duty hours shall be confined to emergencies only, and then only in such a manner as shall not conflict with the employee's school related duties. Such office holder, or other politically active employees, are expected to discourage constituents, or other persons with whom they are associated in their political capacities, from making telephone calls to them, during duty hours.

(3.3.4) **Academic Freedom:** It is the rightful duty of a qualified teacher to encourage within students a never-ending search for truth in its many forms. Such a search may inevitably lead to areas of controversy. It is the belief of the School that discussion of such issues, dealing with local, state, national and international affairs, shall be encouraged. Free, logical, and intelligent dialogue within the classroom is a necessity in the search for truth. Such freedom of expression should be viewed, not simply as a constitutional guarantee, but as a fundamental necessity for the successful practice of scholarship in a free society. All sides of such controversial issues shall be presented where reasonable and feasible in the judgment of the teacher and principal.

It is recognized that the application of this principle in a K-12 program differs somewhat from its application at higher educational levels. Teachers shall consider the relative level of maturity of their students and their need for guidance in the study of such issues to arrive at objective and balanced views.

Teacher use of potentially controversial materials: It is the responsibility of the teacher (or other instructional staff member) that intends to use materials that may be considered offensive to reasonable persons within the community, to notify the principal of the potentially controversial materials. It is the Principal's responsibility to insure that the materials used are at grade level or below, and appropriate and consistent with the Sunshine State Standards. If the materials are potentially controversial, a notice will be sent home to the parents giving them the opportunity to allow their student to do an alternative project.

(3.3.5) **Hours Of Duty:** Each teacher shall be on duty not less than eight (8) hours per day. Teachers shall not leave school during duty hours for any reason without permission of the principal except during lunch period provided regular classes are not interfered with, provided further that the office is notified, and provided further that the teacher does not have any duties that are expected to be performed during such lunch period(s). If it is absolutely necessary that a teacher leave during duty hours, the teacher must first submit such a request to the Principal in writing identifying how coverage of that time will be conducted. The Principal will decide if the request will be approved.

(3.3.6) **Professional Conduct:** Employees shall not use the classroom, nor any other part of school facilities, as a platform for making disparaging remarks against students, parents, teachers or administrators. Conduct contrary to this policy may constitute grounds for disciplinary action up to and including dismissal.

- (3.4.4.3) **Unsatisfactory:** Any employee failing to meet standards expected by the School and thus receiving an unsatisfactory assessment will receive assistance from the administration in an attempt to improve the areas of weakness. - (3.5.6.6) **Confidentiality:** The laboratory may disclose test results only to the Principal (or designee). Any positive results which the School justifies by acceptable and appropriate medical or scientific documentation to account for the result as other than the intentional ingestion of an illegal drug will be treated as a negative test result and may not be released for the purpose of identifying illegal drug use. Test results will be protected under the provision of the Privacy Act, U.S.C. Section 552 a et seq., and Section 503(e) of the Act, and may not be released in violation of either Act. Except as authorized by law, an applicant who is the subject of pre-employment drug testing, however, shall not be entitled to this information.

All drug testing information specifically relating to individuals is confidential and should be treated as such by anyone authorized to review or compile program records. In order to efficiently implement this order and to make information readily retrievable, the Principal shall maintain all records relating to reasonable suspicion testing, suspicion of tampering with evidence, and any other authorized documentation necessary to implement this order. Such shall remain confidential and maintained in a secure location with limited access. Only authorized individuals who have a “need to know” shall have access to them.

- (3.5.7) **Teacher Certification Standards:** In the absence of Florida Statutes or State Board of Education Rules mandating teacher certification requirements, the Principal is directed

to establish and keep in force procedures for appropriate certification guidelines. The provision of the Standards shall apply to all teaching certificates issued for grades K-12. When state-mandated certificates are available, all such certificates issued by the School shall become null and void.

- (3.5.8) **Familiarity Of Instructional Personnel With Statutes, Rules And Policy:** All instructional personnel are expected to be familiar with Florida Statutes, State Board of Education Rules, and Policies of the School, which have particular reference to their responsibilities as educators. - (3.5.12) **Professional Development Trade Days:** In an attempt to encourage instructional and administrative staff members to participate in outside professional development activities, the school agrees to offer Professional Development Trade Days [PDTD] to employees. Periodically throughout the year professional development days are scheduled, staff members may utilize accumulated PDTD so that they may not report to work on some professional development days, or be allowed to leave early on early release days. If a staff member wants to participate in a professional development activity outside of their normal work hours, and count the training as a PDTD, the employee will ask the Principal for permission to attend the training as a PDTD. The Principal has the discretion to allow or disallow the training to be used as PDTD. The Principal also has the option to disallow specific professional development days to be missed by staff members if the offering on that day is important to the mission of the school.

- Student conduct and behavior
 - Student and parent expectations
 - Acceptable use of computers and the Internet
 - Grading guidelines
 - Emergency procedures (i.e. fire, tornado, hurricane, intruder)
 - Fund Raising
 - Religious Holiday Exemptions
 - Photographing of students
 - Gift collection
- Any changes to the Administrative Policy Manual shall be reported to the Board of Directors at the regularly schedule Board meetings, but not require Board approval prior to implementation.
- (4.2) **Admission of Students:** Pinellas Preparatory Academy is a public charter school that receives its Charter from the Pinellas County School Board, and as such, complies with all applicable requirements of state law and the public school system as well as its Charter. As such, we must admit all students based on space availability. Prior to enrollment, parents shall meet with the Principal to discuss the student and how they would fit within our school. The parent will receive a tour, information about the school, and share information regarding the student that would assist us in meeting the student's needs. Provided that we are able to meet the child's needs, and that we have seats available, the children will be admitted based on availability for the current year. If they are applying for the following year, they will follow the lottery procedure as described in section 4.2.1.

(4.2.1) **Lottery Procedures:** In the event that more students have enrolled to the school than there are spots available by the deadline established by the School, a lottery will be held to determine which students will be accepted. The following students will be allowed to bypass the lottery and will be automatically accepted:

- a) Students who were enrolled at Pinellas Preparatory Academy the year before.
- b) Students who have siblings enrolled at Pinellas Preparatory Academy.
- c) Students whose parents are on the Board of Directors of Pinellas Preparatory Academy.
- d) Students whose parents are staff members at Pinellas Preparatory Academy.

In the event that there are more students that are to be automatically accepted than there are spots available, two separate lotteries will be held as described below. The first lottery will create a primary list of students and the initial waiting list from the students who are to be automatically accepted. The second lottery will be for all other students, to be added to the waiting list in rank order.

Once the deadline has past, all students will be assigned a number. Numbers will be randomly chosen to decide which students will be accepted into the school. All students will be ranked based on these random numbers. All students who are granted acceptance will be notified, and asked to respond whether they will be attending. If not, the next student on the list will be granted that position until the entire list has been accepted. If there are still openings, they will be awarded on a first come first serve basis.

(4.3) **Attendance:** Florida Statutes 1003.21 mandates that all students are required to attend school, and sets forth specific requirements for the school. Parents and students can be held legally accountable for truancy.

(4.4) **Releasing A Student From School:** Pinellas Preparatory Academy is concerned about the safety of our students. Students will only be released to people who are their parents or legal guardians, unless we have received written permission to release the student to another adult. In the case of divorce or separation of the parents, both parents shall have full rights until legal notification is provided to the school limiting the rights of either parent.

(4.5) **Code of Student Conduct:** Unless otherwise spelled out within these policies or the Administrative Policy manual of Pinellas Preparatory Academy, the School will adhere to the Pinellas County Schools Code of Student Conduct. Copies of the Code of Conduct will be distributed to all parents and students at the beginning of the year.

Therefore, all district employees and volunteers are directed to take whatever action may be necessary as required by Chapter 39, and 827 F.S. and all statutes and laws of the State of Florida as regards to all instances of suspected child abuse, molestation and child neglect.

Any district employee or volunteer who has reasonable cause to suspect child abuse

shall immediately make an oral report to the Department of Children and Families Abuse and Neglect Hotline. Further, a person who does make a report of suspected abuse in good faith has immunity from civil and criminal liability pursuant to § 39.203, F.S. The person making the call (if other than the building administrator) shall notify the building administrator immediately. Any person who reports should keep a record of the date and time they made the report, whom they spoke to and the general information they provided to the Abuse Hotline. The report shall be made under the following circumstances: When there is reasonable cause to suspect that child abuse or maltreatment has been inflicted through willful or negligent acts which result in neglect, malnutrition, sexual abuse, physical injury, or mental injury. Chapter 5: Teaching And Learning

 - 5.2 Curriculum
 - 5.3 Exceptional Student Education
 - 5.3.1 Acceptance of Students
 - 5.3.2 Limitation of Services
 - 5.3.3 Dual Enrollment
 - 5.4 Section 504 Policy
-

- (5.1) **Teaching and Learning:** At Pinellas Preparatory Academy we believe that high quality teaching results in a positive learning environment for our students. We believe that an interdisciplinary approach to education is more productive for students. An approach that intertwines subject areas in a cohesive way for students allows them to build connections which helps them learn content more effectively and prepares them for their future lives. We also believe non-academic values such as creativity, leadership, and emotional growth are essential to the development of our students.

We believe teaching is only effective if students are learning. Teachers must not only teach in an integrated, multi-disciplinary way, but also regularly assess the achievement of students to ensure understanding and that effective learning is occurring. Without learning, teaching cannot be considered effective.

Pinellas Preparatory Academy encourages teachers to use authentic assessment regularly in their lesson plans. Additionally, teachers are expected to include the use of portfolios in their instruction. Formal assessments are also conducted three times a year. The Stanford-9 is administered at the start and end of the academic year to provide a baseline and a clear demonstration of the growth of each individual student. Additionally, the Florida Comprehensive Assessment Test (FCAT) is administered to assess student achievement and demonstrate the success of the school.

- (5.2) **Curriculum:** The curriculum of Pinellas Preparatory Academy strives to prepare students for a successful high school curriculum and a successful life. The curriculum will follow the Sunshine State Standards and will strive to exceed the standards of the Pinellas County School Board. All teachers will be expected to follow the schools curriculum guide so as to ensure all standards are met and to reduce repetition among grade levels.

Exceptional Student Education

- (5.3.1) **Acceptance of Students:** Pinellas Preparatory Academy is a public school that is required to admit all students, based on space availability. The school does not however serve the broad array of all exceptional educational needs. We provide SLD services, and contract with providers for SL and OT. If additional services are required that we

are unable to provide, we will consider the option of dual enrollment at another Pinellas County Public School.

- (5.3.2) **Limitation of Services:** Pinellas Preparatory Academy strives to meet the needs of all of our students. We attempt to provide individualized instruction to all of our students. The school hires an ESE teacher to assist with working with children who have special needs. Pinellas Preparatory Academy does not, however, provide the full-range of ESE services that are available from other counties school. When a child with special needs is considering enrolling at PPA, the family will be informed of the services provided by the school and our current staffing levels.
- (5.3.3) **Dual Enrollment:** If a child has special needs that are not able to be met by the staff at Pinellas Preparatory Academy, prior to enrollment, or during the staffing process for new referrals, PPA staff will work with the Pinellas County School District's area ESE staffing specialist to find a nearby school which provides the required services. Should the parents choose to do so, the child could be dual enrolled between PPA and the PCS school providing ESE services. The student would receive regular education services from PPA and would be transported by PPA to the PCS school.
- (5.4) **Section 504 Policy:** Pinellas Preparatory Academy provides a free and public education to each student who is disabled within the definition of Section 504 of the Rehabilitation Act of 1973 regardless of the nature of severity of the disability.
