## Pastoral thoughts:

## Dear Faithful:

I am sitting here and thinking how to express my feelings and emotions. When you read this, my last Pastoral thoughts, my family and I won't be here but I feel a very powerful spiritual connectedness between us which has been formed within these eight years at the St. Mary Yettem, at our church. I believe that from now on that spiritual connectedness will become stronger than ever.

We prayed together, we served together, we worked together and simultaneously a very nice relationship was formed among us and we didn't notice when we became so close with each other.

According to God's given graces we all tried to be helpful and to bring our humble participation to our church programs. Our first initiation was to reopen our Sunday School which brought to us new breath and liveliness. I will never forget their smiles and clever looks.

Dear St. Mary kids, we will miss you. We will remember each one of your voices in its kindness, your questions, your singing, your reciting...

I appreciate our Parish Council, ACYO, Ladies Society, Faith of Zion, Ways & Means Committee, Choir, Deacons and all our parishioners for their devotion and love they showed in their spiritual service. It really was pleasure for me to cooperate with you all.

We worked together for various programs and events teaching our people and kids, scheduling trips and pilgrimages, organizing events, maintaining our church facility, renovating it as members of the same body of St. Mary Yettem Church.

The greatest gift we received from above was love which accompanied us over the years. Love led us to assume our responsibilities and cooperate together. We leave each other but there

shouldn't be a distance in the midst of love. Love refuses any distance among people. Love can work miracles even within distance.

Here in Yettem St. Mary Church there is really a huge potential of real love. Holy Mother's breath and presence here is everywhere. Without Her Maternal care it wouldn't be possible to remain in the same spiritual communication especially in these days when the whole world faces this new, unknown and vague situation.

We really were able to generate that love which was our main mission. Love will motivate us to remember each other and to worry about each other for the rest of our lives. In this uncertain situation Holy Mother's care is the biggest gift which reaches towards us from our Yettem church Holy Altar.

I feel very sorry that current circumstances don't allow us to come together and accomplish our spiritual service which we have performed together. Unfortunately, during my pastoral last three months I didn't have a chance to enjoy your presence during our church services but thank God we were in virtual communication.

That's how God acts in our life. If the difficulties limit our life God opens doors in front of us giving us His Love to take care of our spiritual needs. I am truly thankful to God that in different areas of our church life we witnessed real Love. I am sure dear St. Mary parishioners for many, many years such a Love will lead you to serve in our St. Mary church with the same zeal and dedication you have demonstrated over the years. God's blessings through our lovely St. Mary Church is obvious upon our parish Whose breath and presence blessed my daily way to the church...

We love you all. We are looking forward to seeing you.

GOODBYE MY RED BRICK CHURCH YOU WILL REMAIN WITH ME IN MY HEART FOREVER. AMEN

> With Love of Christ, Yettem Parish Priest Rev. Fr. Zaven Markosyan St. Mary Armenian Church

# Ladies Society News

Our first ever Drive-Thru Hot Dog Feed was a huge success thanks to the support of our faithful parishioners and to our hard-working committee chaired by Margie Lynn Davidian! Not in my wildest dreams did I image so many would drive to church for a hot dog! Because the turnout was greater than our estimation, we had to make an unexpected run to Orosi to buy more dogs and buns! It was well worth it to see so many of you. We also had an unexpected and delightful surprise. Der Zaven, Yn. Adrine, Maneh, and Sarah were in attendance. Their presence added to the festivities of the day.

Thank you to all who made an extra donation when purchasing your meal. So many of you told us to keep the change. The committee, Margie L. Davidian, Nancy Krikorian, Debbie Sheklian, Tina Peters, Peggy Fernandez, Kalfayan, and Lillian Safrazian donated all the food. Although our intent to sponsor the feed was to bring our community together, we had a second unintended surprise. Because of these kind gestures from our community and from the committee, we were surprised to net a profit of \$820. Thank you to the committee for their work and donations and to our parishioners for supporting Ladies Society.

This week, Archbishop Hovnan Derderian and the Ladies Society Central Council hosted a Zoom meeting with the chairladies throughout the diocese. Each of the chairladies reported on the activities their church was doing during this pandemic time. I have got some good ideas for the future!

Birthday wishes for June goes out to Karon Penny. We wish her all God's blessings. It was a year ago I started this monthly news article. During the summer months, Ladies Society takes a break from monthly meetings. The newsletter was my way of staying connected. I only intended to write it during the summer hiatus. But because of so many positive responses, I have continued to write. Thank you for your encouragement. More importantly than this news article, my prayer is that you stay connected to our church and our community.

With God's love and guidance, Linda Farsakian-Wall Chairlady
