Yankee Springs Fire Department:

The official cut- off date is May 10, 2016 per Dave Middleton. Phyllis advised that we have the codes programmed into our councils and ready to go. We will call them Yankee Springs but actually they are Wayland operating in Yankee Springs. Automatic mutual aid will have to be refigured and reprogrammed.

SMPA-South Michigan PSAP Alliance: Calhoun County and Barry County are working on a RFP with the consultant. We are on the third rough draft at this time (about 68 pages). Phyllis will have more information at next month's meeting.

Miscellaneous

Jim Yarger is holding Active Shooter Drills and plans a table top exercise in March. All law enforcement, fire, ems and dispatchers will be invited to give their input.

Motion was made by Dunn and support by Leaf to adjourn the meeting. All in favor and the motion carried. The meeting adjourned at 1:53 p.m.
