Photo Ready Ads, articles, and brags for the Fall 2012 issue are due by October 15th 2012.

On June 6, 2012, **Greenwich Kennel Club** held a huge **Meet the Breed Exhibit** with many AKC Miscellaneous Breeds, FSS Breeds, and even an FCI breed present, in effort to educate the general public about these breeds. This was done in conjunction with their all breed show in Norwalk, CT.

Judi Carson, Kathy Burns (and her husband), and Penny Schroeder were the PPPA members representing the PPPA and bringing their PPPs to meet and greet the general public. Many people stopped by to ask questions and greet closely the Pequeños that we brought along. Judi had her 6 month old puppy, Valentina (a wire); Kathy brought her Zoey (a wire); and Penny brought Caro (a wire) and Dora (a smooth).

Many questions were asked and much information was disseminated via the PPPA brochures and handouts and our conversations.

Later on in the afternoon, there was a Parade of these Miscellaneous, FSS, and the FCI Breed in a ring and an announcer gave general history and facts as one representative from each breed was gaited around the ring by its handler.

Pictured above: Kathy Burns and Zoey; Kathy's husband, Paul; Penny Schroeder and Caro and Dora. Photo on right: Judi Carson and her puppy, Valentina, who was worn out from all the [meeting and greeting] and had to take a quick nap before the breed judging began a very short time later.

Many thanks to all these people for their help and support at this MTB.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

Hello members,

Below please see the email we just received from the Secretary of ASFA. As it states we are now eligible to lure course as a separate breed. Originally we would have had to run with the other sizes of Podengos. We do not run for Best in Field!!

Always,
Suzanne

With regard to the letter received by the ASFA Board of Directors requesting that the Portuguese Podengo Pequeno compete as a separate breed in ASFA Field Trials, the Board of Directors voted that this would be permissible. We will be making an announcement to our clubs shortly.

Thank you for contacting us with your request.
