Net controllers: Ed, KA6OFR, says the 220 net is going well. He has had about 13 people checking in on Tuesday nights at 7:30 p.m. There were 20 people checking in on the Tech Net. If you are out there listening, please let the net controller know you're there by checking in. You don't have to participate if you don't want to. We just like to know you're listening.

We also need more Thursday night check ins. If you are available on Thursdays @ 7:30 p.m., please check in. We'd love to hear from you.

New Business: January 6, 2008 is Kids Day so be sure to have the kids talk or listen on the radio. It's exciting and fun for them.

Don't forget the Christmas party on Dec. 8, 2008. We have a prize for everyone. The party is a lot of fun and good food. Please come and join us. The deadline for getting your reservation in to Barbara, KD6OKJ is Nov. 30, 2007.

TRUSTEE

I thank everyone in this club, especially the net controllers for doing such a good job and always being there to run the nets every day. The nets and our meetings are what makes this such a great club. If you are not checking in to any of them, please do so as you will make the net controllers happy.

OK let's do the eye ball to eye ball Saturday.
