INT. AN OPEN CASKET FUNERAL - AFTERNOON

People are going through the line to pay their respects. They are in black and many are crying. A drunk sorority-type girl stumbles in. her clothes are half falling off and she is very inappropriately dressed for the occasion

INAPPROPRIATELY DRUNK GIRL
WOOOOOOOOO! Partay!!!!

She takes a swig from a bottle of liquor in her hand and people turn around to look at her. She stumbles up to the front of the church where the organist is playing a funeral dirge

INAPPROPRIATELY DRUNK GIRL
Oh my God I love this song!

She starts dancing and singing along to a completely different song, one she clearly doesn't know the words to.

INAPPROPRIATELY DRUNK GIRL
It's Friday Friday pottery class on
Friday

She mumbles the rest of the song as it turns into other songs

WIFE OF THE DECEASED
Excuse me I think your in the wrong
place. This is my husband's
funeral.

INAPPROPRIATELY DRUNK GIRL
Oh my God don't say that! The
person who's throwing this party
might hear you!

WIFE OF THE DECEASED
I am that person. I'm trying to
tell you this isn't a party it's a
funeral.

INAPPROPRIATELY DRUNK GIRL
Oh my God you have the prettiest
eyebrows I've ever seen. Do you
wanna make out?

WIFE OF THE DECEASED
Excuse me?!

(CONTINUED)

INAPPROPRIATELY DRUNK GIRL
OH MY GOD NO I WILL NOT MAKE OUT
WITH YOU!

She bursts into a fit of giggles then sees the coffin

INAPPROPRIATELY DRUNK GIRL
Oh my Godddd! Seven minutes in
heaven!

She attempts to climb in the casket but many people stop her

INAPPROPRIATELY DRUNK GIRL
(To no one in particular)
I'm not really a slut! I don't
usually do this! I'm just looking
for a nice guy; I've dated too many
jerks.

She throws up on the altar and everyone gasps. She falls
forward and passes out in the coffin.

VERY DISTANT RELATIVE THAT HARDLY KNEW
THE DECEASED
(Under his breath)
Can we just leave her there?
