Effective November 1, 2014 Nekoosa Credit Union will implement an updated fee schedule. As a member-owned cooperative we strive to fulfill the needs of all our members. That is why as a not-for-profit organization any income goes right back to you, our members, in the products and services we offer. At Nekoosa Credit Union we charge fees to help our members maintain their account and to help cover the costs of a particular service. Only the members using such services are asked to pay for them. We have gathered fee information from area financial institutions and have made adjustments to our schedule keeping all fees equal to or below those surveyed.

Please review the updated fee schedule on the reverse side.
