We do not focus on things we can see, which are temporary. We lock on to those unseen things which are eternal.

# FUMC Congregational Health Ministry Survey

We are starting a Health Ministry Team at First United Methodist Church. It's an exciting time to consider not only our physical and spiritual health; but as individuals to become healthier to serve; the health of the church and the body of Christ to minister to our communities. This is not just about our being physical and spiritual health but to glorify Christ. *Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore honor God with your bodies.* 1 Corinthians 6:19

There are so many ideas to live a healthier lifestyle. The activities can be at the church, through established organizations where we gather together in Christ name. We can use this as an opportunity to invite the community to join us. We are in the beginning stages discovering what the interests of our church are and then to develop programs and activities.

Please take a few moments to complete this form. You may turn it into the church office, place in the offering plate or email [shyre@drhyre.com](mailto:shyre@drhyre.com) for additional information. Please check **all** that you think might be a good for our congregation to consider. *Please complete even if you do not wish to provide your name so we may better serve the church.*
