Flatbed Scans

Fragile and non-standard sizes

- Items that require special handling, such as fragile, sticky or thick items, or are less than 2.5x2" or greater than 8x10" up to 8.5x14".
- Scanned on a Kodak professional flatbed scanner.
- 50¢/60¢ (300/600 dpi) per side.

COPYRIGHT: We cannot scan photos that have a copyright (e.g., school & wedding photos) without the written permission of the copyright owner. Please don't include them in your order without the signed permission.

Additional Services

- Printed photo and digital organization help and training
- Photo storage solutions

Each Premium scan package includes:

- Loose, **standard** (non-fragile/no thick backing, 2.5x2" up to 8x10") photos, Polaroids, postcards (writing side only) and some documents.
- Both sides scanned, if requested, to preserve the treasure-trove of information on the back side that might otherwise be lost.
- Auto color/brightness/contrast/sharpening enhancement, plus red eye removal.¹ **NOT** included in PRO option.
- Images rotated to proper orientation.
- One standard CD or DVD² of your JPEG files OR web upload for instant sharing.
- BONUS: Digital thumbnail album that shows all your images with file name for easy reference.

¹ Your original scans will never be compromised. You'll get a copy of the original scans & a separate copy of the enhanced version. Ability to enhance photos is limited by the level of fading or degradation of the original photo. Red eye removal is not guaranteed. ² Can be viewed on a computer and some DVD players. We cannot guarantee that the CD/DVD will work in your player.
