

Davidson Student Arrival and Departure Procedures

Bus Riders:

Students riding a bus will be dropped off in the first parking lot from Linebaugh (***for buses only***) and enter campus through the supervised gate by the cafeteria.

Car Riders:

AM: Please drop off car riders ONLY in the second parking lot from Linebaugh. Cars must wait in the line until adults supervising release students from their cars in designated spots as they approach the building. This is for everyone's safety and should speed up after a few weeks. Car riders may begin entering school **at 9:15 AM** when adults are present to supervise. We do NOT have supervision before 9:15. Students will walk past the main office to enter the same supervised gate that bus riders enter. Please see the MAP on the next page for a visual.

PM: Students will exit the building nearest the Car Line and wait in the designated area for their car to approach. Do NOT park in the faculty/visitor parking lot and have your child cross through, as that would create a safety issue. Any students who have not been picked up by 4:45pm (3:45pm on early release days) will be escorted to the cafeteria, as we do not have car line supervision after those times. Please be on time for pick up. HOST is available for a fee if you need extended times in the morning or afternoon.

Walkers and Bike Riders:

AM: All walkers and bike riders must use the Montague crosswalk in front of the school. Bike riders must wear a helmet and walk their bikes on the sidewalk to the bike rack. Both Bikers and walkers will use the sidewalks to pass by the main office and enter through the supervised gate by the cafeteria and bus circle.

PM: All students must use the sidewalk and crosswalk to cross in the afternoon, leaving the same way they enter. Please remind your student to watch for cars and buses.

Be aware of the following:

- Many students walk or ride their bikes to school. **FOR THE SAFETY OF OUR STUDENTS, please use EXTRA CAUTION when driving on and around DMS campus!**
- Do NOT speed.
- Please do not enter the bus circle/faculty parking areas to drop off or pick up your child.
- Please be respectful of our neighbors...don't block driveways or traffic lanes.

Thank you for your patience and cooperation
