

Directions for Sawtooth Star

Project rating: easy

Size: 45 ½" by 55 ½"

Each block requires four 3 ½" squares, and one 6 ½" square (center)

Using Quilt in a Day Small Flying Geese Ruler – one 9" and one 7 ½" square

The 9" square makes the star points.

Or use your favorite method to make four flying geese to finish at 6" by 3"

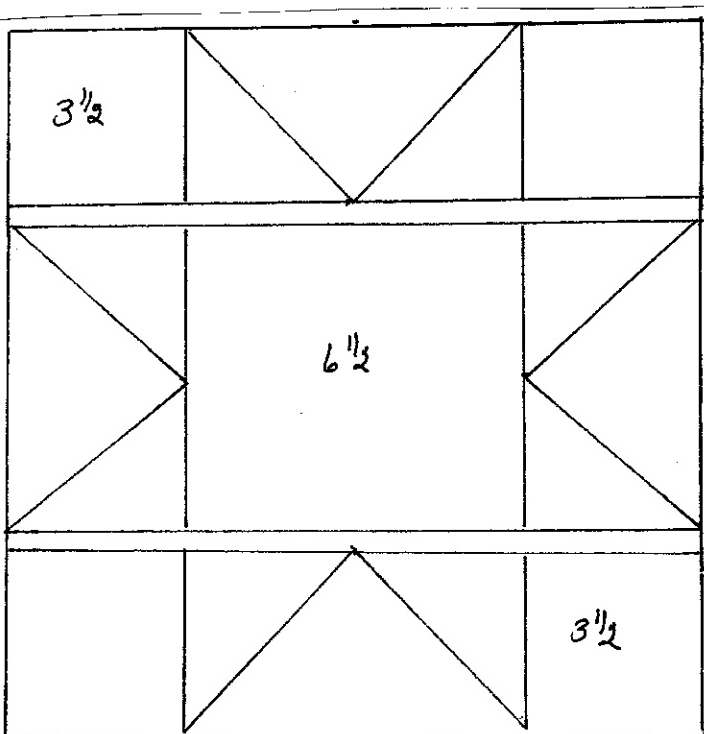

Make 20 blocks each finishing at 12"

Use a variety of fat quarters or yardage for the stars with the birds and berries as the center 6 ½" square.

½ yard fabric for the 3" wide border

3 ½ yards for the back

twin size batting
