A Little Schoolhouse Christian Academy

Optional "VPK Plus" Enrollment Form

Please fill out all registration paperwork and submit your registration folder to A Little Schoolhouse. Placement will be determined by the dates they are received and available openings.

In order to qualify for the Voluntary Pre-Kindergarten Program, you must register your child with the Manatee County Early Learning Coalition. They can be reached at 757-2900. You can find more information on their website at www.elc-manatee.org

The Manatee ELC will give you a Certificate of Eligibility. Certificates must be submitted along with this enrollment form, and your Registration Packet.

The VPK Plus Program class times are 8:45-12:30. (total 675 hours of instruction)

The VPK Plus Program simply means that the State of Florida VPK Scholarship will pay for the first 540 hours of basic instruction. You will be responsible to pay the cost for the remaining hours of instruction and activities not included under the VPK standards.

The VPK Plus tuition will be 10 payments of $90.00. Tuition is due the first of the month August 1st-May 1st. Late payments received after the 7th of the month are subject to late fees. <u>Families who withdrawl from the VPK PLUS program after July 1st of the upcoming school year will be responsible for paying August tuition per tuition and withdraw policies.</u>

To remain in the VPK Plus Program you must comply with the State mandated attendance policy. The State will not pay for services that are not being received by your child. Parents must cooperate with signing attendance verifications sheets and any occasional paper work needed by the State.

If for any reason the State of Florida does not pay, you will be responsible for the normal monthly tuition.

We have a limited number of openings in our VPK Programs.   Placement will be determined by available openings and enrollment date.

 I have read and understand the above guidelines of the optional VPK Plus Program and will comply with them.
